32 Non-Degree students include PSEO & College-in-the-Schools (i.e., dual enrollment), as well as students attending University courses without receiving academic credit.											
33 ** In the Fall of 2022, UMN worked with K-12 districts to ensure dual enrollment students are registered at the U of MN before the UMN official enrollment census date,											
34 resulting in increased student headcounts in the official registration statistics.
