SF 2792 expands eligibility for the Economic Development and Housing Challenge Program under Minnesota Statutes section 462A.33.

Section 1 (462A.33, subdivision 2) adds contract alternative and Tribal contract schools to the eligible recipients subdivision.

Section 2 (462A.33, subdivision 9) adds contract alternative and Tribal contract schools to the subdivision relating to grant funding to schools, which specifies that a grant to a school must be less than \$100,000.
