David Zak
Committee Administrator
Senate Human Services Committee

Dear Mr. Zak,

I am writing this letter of support on behalf of the **Niyyah Recovery Initiative**. I have had the privilege of learning about the valuable work this organization is doing to support individuals on their recovery journeys. I would like to express my wholehearted endorsement of their mission and programs.

The **Niyyah Recovery Initiative** has demonstrated a steadfast commitment to providing individuals with the resources, guidance, and empowerment they need to successfully navigate the challenges of recovery. Their approach is not only compassionate but also highly effective in helping individuals rebuild their lives, restore their well-being, and contribute positively to their communities.

Through their comprehensive programs and services, the Niyyah Recovery Initiative's approach is transformative: grounded in cultural humility, community healing, and empowerment. Their emphasis on holistic support—centering the unique cultural, spiritual, and social needs of Black, Indigenous, and People of Color (BIPOC) as they navigate the complex path to recovery—ensures that their clients receive the care and attention they need to thrive beyond recovery.

I am confident that the Niyyah Recovery Initiative will continue to have a profound impact in the lives of those they serve, and I strongly believe that supporting their work will benefit many in need of recovery services.

I wholeheartedly encourage all support for their efforts and extend my full endorsement of their mission. Thank you for considering my letter of support. Should you require any further information, please do not hesitate to reach out.

Sincerely,

Cynthia Munguia
