

BEE PATHWAYS PROGRAM

Paving The Way to a Brighter Future!

About BEE Pathways

The BEE Pathways Program is a 4-month, cohort-based program designed to support women and men—whether students, workers, or entrepreneurs—in building sustainable careers and generational wealth.

Through core skill training, coaching, and support services, we strengthen individuals' ability to achieve career success. This includes completing education, securing job placements, advancing in careers, and preparing entrepreneurs to become employers.

Program Focus Areas

- Monthly Workshops with expert speakers on essential topics to enhance career planning, and career options & retention.
- Hands on in class activities & learning, and networking
- Bi-Weekly check in with career coaches to set goals, strategies, and execution plans up to 10hrs per month
- Paid internships up to 20hrs per week over 30days
- Support services & referrals to enhance upper mobility
