

Minnesota Asian Building and Trades Enterprises

We're the Minnesota Asian Building and Trades Enterprises - MABTE, a coalition of trades and construction small businesses partnering with the Asian Economic Development Association for mutual support and growth.

We seek your support for an appropriation bill to expand our small businesses and create jobs. We support 35 job categories and have an annual impact of \$10 million.

Current Members

- Blue Quest Electric
- Cornerstone Tiling LLC
- Drain Team, LLC
- Electricityee Solutions

- Iyota LLC
- JR Remodelers & Builders
- Lux Mechanical
- Moon House Repair
- Oliver Carpentry, LLC
- Optimal Heating & Cooling LLC
- Presidential Electric LLC
- V Plumbing
- Asian Economic Development Association

We will use the funding for:

- Hiring new employees, training existing and new employees, improve their skills and knowledge.
- Increasing our capacity by improving management, optimizing operation, and investing in new equipment and technology.
- Expanding by our businesses into related growth areas in construction and trades, such as renewable energy, AI, and other new building technologies.
- Becoming more complete in government and corporate contracting through certification.

The results we will achieve with the funding:

- We will generate \$3 for every \$1 invested in our businesses.
- We will double our workforce over the next two years.
- We will double our economic impact.
- We will help fill the job shortage in the construction industry and help create the next generation of skilled trades professionals.

MABTE, a coalition of Building and Trades small businesses, supports and promotes mutual growth. All registered businesses in the construction industry are welcome.
