

Illinois' All Access Test, Licensure, and Credential Workforce Program

- The State of Illinois's Prepare for Illinois Future Program powered by Kaplan's All Access License provides over **200,000** public university and community college students with access to 40+ test and licensure prep courses as well as industry certifications at **no cost to students**.
- In just one month since going live, Illinois **students have saved over \$5 million in out of pocket costs**.

Praise for the program ...

Misty Huacuja-LaPointe, University of Illinois/Chicago Director for Pre-Professional Advising

*"The access to high quality test preparation courses for exams like the MCAT, DAT, and LSAT at no cost to students will be **the biggest equalizer on a truly systemic level for students attending Illinois public universities that I will likely see in my career** as a pre-professional advisor."*

Justin Schuch, Western Illinois University Vice President

*"Our partnership with Kaplan opens doors for students as they prepare for these next steps. The resources offered by Kaplan will be a valuable tool for our students and complement the stellar on-campus support our faculty and staff offer. The goal is ultimately to remove barriers to success. It really is making sure that **students never question if they're going to have the resources** and support to explore whatever they're interested in going into ... they never really should doubt can they be successful"*

Eric Zarnikow, Illinois Student Aid Commission (ISAC) Executive Director

*"Providing free test and licensing preparation courses for students is an important measure to **help remove some of the financial barriers students face in advancing their education and careers**. ISAC is pleased to partner with Kaplan to provide these services...."*

Alicia Schatteman, Northern Illinois University Vice Provost for Academic Affairs

*"Whether it's graduate school, a professional license or certification or developing new skills to advance careers, **this program will help students succeed and pursue their dreams**. We are thrilled to be able to offer this to all current NIU students and encourage students to take advantage of this opportunity."*

Brandon Schwab, University of Illinois, Springfield Provost

*"The Prepare for Illinois' Future Powered by Kaplan's All Access License program is an investment in your future. **It's our way of removing obstacles and empowering you to reach your full potential**. We believe providing the best possible preparation positions you for a successful future in Illinois."*

Jay Gatrell, EIU President

*"Simply stated, our top priority is student success. That involves **providing our students with the critical resources they need to prepare for graduate school, professional licensures, industry certifications, or to acquire new skills on their way to enhancing their personal lives and advancing their professional careers**."*
