Dear Senator Bobby Joe Champion (59, DFL) President of the Senate,

On behalf of the Central Minnesota Community Foundation, I am pleased to express our strong support for Senate File 2948 (SF 2948) which appropriates funds to OneCommunity Alliance and their vital work in our community. As a foundation dedicated to fostering positive change and supporting initiatives that enhance the well-being of our region, we recognize the significant impact of OneCommunity Alliance in addressing economic and workforce development initiatives in Central Minnesota.

OneCommunity Alliance has consistently demonstrated a commitment to economic growth and prosperity through efforts in the areas of housing, employment/economy, education, community engagement, and health. Their work aligns closely with our foundation's values and our shared goal of strengthening Central Minnesota.

We believe that the continued success of OneCommunity Alliance will bring lasting benefits to our community. Their dedication to our community is essential in creating opportunities and improving lives for those they serve. We encourage others to support their mission, whether through funding, collaboration, or advocacy.

Please feel free to contact me if you require any additional information. We look forward to seeing the ongoing impact of OneCommunity Alliance and remain committed to supporting their work in any way we can.

Sincerely,
