MABL Pathways Law School Program

MABL Pathways is a Minnesota pioneering initiative to prepare a Select Group of Minnesota College Students who support the MABL Mission for success in law school and the legal profession.

We offer a full range of services, including rigorous LSAT preparation, academic mentoring, career counseling, ongoing support during law school, and continued career guidance and skill development for success in the legal profession.

Join The Success!

College and law schools are bridges along the pathway to launching a career in the legal profession

BACKGROUND

85,600 openings in law-related occupations are projected each year from now through 2030 according to the United States Bureau of Labor Statistics.

Lawyers are multipliers who create employment opportunities for others and work in law firms, corporations, government, serve as CEOs, work in technology firms, and law-adjacent positions.

 100% completion

All participants completed the inaugural MABL Law School Pathways program.

 Participation Rate

MABL successfully complied with the statute by enrolling 10 to 20 participants in the first two years of the program.

CAREER COUNSELING AND DEVELOPMENT

Provided career advice to help participants develop necessary skills to excel in the legal profession.

Employment opportunities for participants include: legal externs, law clerks, judicial externs, and research assistant for law professor. Participants gain hands-on practical experiences that prepare them to succeed when launching legal careers.

Mentors and advisors included:

- ✓ U.S. Senator and Federal District Court Judge
- ✓ Minnesota Supreme Court Justices
- ✓ Minnesota District Court Judges
- ✓ Minnesota Administrative Law Judges
- ✓ Practitioners and Legal Faculty

ACADEMIC MENTORING

25+ attorneys and law professors provide academic support with the goal to prepare participants to successfully navigate the challenges of law school admission and help launch career in legal profession

RIGOROUS LSAT PREPARATION

LSAT examination is completed to be accepted into law school. Four participants completed the intensive LSAT prep course and scored as high as 165 on the LSAT exam. A high score provides participants access to receive potential full-ride scholarship to some MN law schools.
