Dear Chair Champion and Members of the Committee,

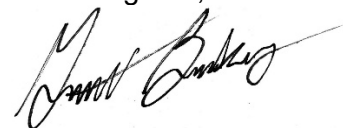

I am writing to express my sincere thanks for your leadership in including funding for Propel Nonprofits in the Omnibus bill. This investment is a powerful recognition of the vital role that nonprofit organizations play in our communities, and your support will have a meaningful impact on their stability and effectiveness.

Propel Nonprofits provides essential financial guidance, tools, and services that help nonprofits build strong foundations and operate with greater transparency and accountability. By supporting this work, you are helping ensure that community organizations across our state can continue to serve people efficiently and sustainably—especially in times of growing need and limited resources.

This funding will strengthen nonprofit infrastructure and allow organizations to focus more fully on their missions, with increased confidence in their financial health. It's a smart and strategic use of public dollars, and your commitment to this sector will ripple outward in countless positive ways.

Thank you again for your leadership and continued support of nonprofits and the communities they serve.

Warm regards,

Garrett Backes
Chief Advancement Officer
