

# END THE GOVERNMENT SHUT DOWN

Gov. Walz and Senate Democrats are sitting by, silent, while their fellow DFLers in the House refuse to show up — effectively putting us in a government shutdown.

**The rest of the DFL party — Walz included — need to step up and get their coworkers back to the Capitol and end the government shutdown NOW.**

We're [sending messages](#) right now to Gov. Walz, senators, and representatives telling them to **get their act together and get the House Democrats back to work**. Please take 30 seconds to [send one](#) of your own. As long as they continue to enable the House Democrats' behavior, they should be hearing from you every single day.

## SEND YOUR MESSAGE

If you are one of the thousands of Minnesotans who previously contacted your representative, thank you. **Keep going!** After sending a message to Gov. Walz, your senator, and your representative with this [new form](#), spread the word to your personal networks and get as many messages sent to them as possible. You can also **record a video message** that will go directly to Gov. Walz and your legislators after sending your message.
