**S.F. 1119** prohibits a person who controls a website, application, software, or program from allowing a user to access, use, or download the website, application, software, or program to nudify an image or video. The bill defines “nudify” as the process by which an image or video is altered to reveal an intimate part that is not depicted in the original unaltered image or video.

This bill permits an injured individual to bring a civil action for treble damages, including damages for mental anguish and suffering, punitive damages, injunctive relief, reasonable attorney fees, costs and disbursements, and other relief the court deems equitable and just. The attorney general may enforce this section. A person who violates this section is subject to a civil penalty of not less than \$500,000 for each unlawful access, download, or use.

**Effective date.** This bill is effective August 1, 2025, and applies to causes of action accruing on or after that date.
