Senate Taxes Committee
Minnesota State Capitol, Rm. G-15
75 Rev. Martin Luther King Jr. Blvd.
St. Paul, MN 55155

To Chair Weber, Chair Rest, and Committee Members,

I write today in support of Senate File 441. Here are some reasons why Senate File 441 should move forward:

- **Saves people money:** Helps people afford solar panels, so they can save on energy costs.
- **Fairness:** Similar programs already exist for people in other parts of Minnesota, this makes sure everyone has the same opportunity.
- **Boosts the economy:** Creates jobs and encourages investment in local communities.
- **Good for the environment:** Helps Minnesota reach its goals for clean energy.

Thank you.

Signed,
