BECKER CITY HALL AND POLICE STATION RENOVATION

- ◆ Unprecedented growth in Becker:
1980 Population 600
2024 Population 5,042
- ◆ The last addition to building was 1996
- ◆ The need for more space and better law enforcement facilities is necessary
- ◆ Facility Assessment conducted in 2017 and planning began in early 2022 followed by 13 public meetings
- ◆ Determined more cost efficient to renovate the existing building than build new
- ◆ Cost: \$5,890,000 (should include furnishing, etc. with this amount to the legislature)
- ◆ The building is scheduled for completion in spring 2025
- ◆ Improved security and access points for police department and city hall with new central public entrance
- ◆ Changes in police department space including evidence processing, interview rooms and safe spaces
- ◆ Heating/cooling system and roof at the end of anticipated life
- ◆ Heated garage for all police squad vehicles
- ◆ Building needs to be more ADA Compliant
