Establishes a \$100 surcharge for plug-in hybrid electric vehicles and imposes the same inflationary index to the surcharge as the gasoline tax, which is in addition to vehicle registration taxes imposed on a plug-in hybrid. Establishes a similar \$40 surcharge for all-electric motorcycles and \$20 for plug-in hybrid electric motorcycles. Revenue from each surcharge is deposited in the highway user tax distribution fund. Defines “all-electric motorcycle” and “plug-in hybrid electric motorcycle.” Effective August 1, 2025.
