

S.F. No. 3684 – Library construction grants

Author: Senator Mary Kunesh

Prepared by: Bjorn Arneson, Legislative Analyst (bjorn.arneson@mnsenate.gov)

Date: February 19, 2026

The Mary C. Murphy Library Construction Grants Program provides grants for new construction, renovation, expansion, or accessibility improvements to library facilities operated by regional public library systems, regional library districts, cities, and counties.

S.F. 3684 modifies the grant match requirements and maximum grant award. The bill also authorizes the sale of state general obligation bonds to finance grants under the program.

Section 1. Match. Provides that the grant recipient must match the grant with nonstate funds. Effective for grants awarded after June 30, 2026.

Sec. 2. Qualification; improvement grants. Increases the maximum amount of an improvement grant to \$2 million. Effective for grants awarded after June 30, 2026.

Sec. 3. Library construction grants. Authorizes \$10 million in state general obligation bonds and appropriates the proceeds for the library construction grant program. Effective immediately.
