

S.F. No. 4839 – Pollution Control Agency ranking multicomunity projects for the point source implementation grant program modifications

Author: Senator Steve J. Drazkowski

Prepared by: Stephanie James, Senate Counsel (stephanie.james@mnsenate.gov)

Date: April 16, 2026

Section 1 [Regional projects; 446A.073, subd. 6] requires the Pollution Control Agency to place a multi-jurisdictional project on its project priority list (PPL) for point source implementation grants (PSIG) at the position of the highest-ranked position for any individual governmental unit involved in the project.
