American Bikers for Awareness, Training, and Education of Minnesota (A.B.A.T.E. of MN) supports SF2484

Chairman Klein, Senator Seeberger, and members of the Senate Commerce and Consumer Protection Committee,

A.B.A.T.E of MN is the largest street motorcycling rights and safety advocacy group in Minnesota with thousands of members who ride a wide variety of motorcycle brands. SF2484 will guarantee that motorcycle owners and independent shops can access the tools, software, and diagnostic data necessary for repairs. SF2484 aims to prevent manufacturer monopolies and keep repair costs reasonable.
The passage of the Digital Fair Repair Act addition of motorcycles provision is important to our members. Please support SF2484.

Thank you,
