OATH OF OFFICE

The oath of office was administered to those elected to the above offices by the Speaker.

Long offered the following resolution and moved its adoption:

Resolved, That the temporary Rules of the House for this session, the 77th regular session, shall be the same as the Permanent Rules of the House for the last session, the 76th regular session, as they existed on Monday, April 25, 1990, with the following exceptions:

Rule 5.8 shall read as follows:

5.8 BILLS AFFECTING STATE GOVERNMENT POWERS AND STRUCTURE. Any bill, whether originating in the House or the Senate, which creates or reestablishes any new department, agency, commission, board, task force, advisory committee or council, or bureau, or any other such entity, or which substantially changes or alters the organization of or delegates emergency rulemaking authority to or exempts from rulemaking any department or agency thereof of state government, or substantially changes, alters, vests or divests official rights, powers, or duties of any official, department or agency of the state government or any institution under its control, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Governmental Operations for action by that committee. Prior to the deadline set by Rule 9.3, any committee other than the Committee on Governmental Operations to which such bill is referred shall, in its report, recommend re-referral to the Committee on Governmental Operations. After the deadline set by Rule 9.3, a report shall recommend re-referral to the Committee on Rules and Legislative Administration.

This rule does not apply to the omnibus bill on taxation, the education finance bill, or the omnibus appropriations bills for: state government; human resources; education; economic development, infrastructure and regulation; or environment and natural resources. But, if those bills contain provisions that would create or reestablish a commission, board, task force, advisory committee or council, or other such entity, then the chair of the Committee on Taxes, the chair of the Committee on Education, or the chair of a

division of the Committee on Appropriations, as appropriate, must communicate the inclusion of the provision to the chair of the Committee on Rules and Legislative Administration prior to consideration of the matter on the floor.

All other bills in the House Committees on Appropriations and on Taxes are also exempt from this rule except for bills to create or reestablish a commission, board, task force, advisory committee or council, or other such entity. Prior to the deadline set by Rule 9.3, those bills shall be re-referred to the Committee on Governmental Operations. After that deadline, the bills shall be re-referred to the Committee on Rules and Legislative Administration.

Rule 5.10 shall read as follows:

5.10 WAYS AND MEANS COMMITTEE; RESOLUTION; EFFECT ON EXPENDITURES AND TAX BILLS. The Committee on Ways and Means shall hold hearings as necessary to determine state expenditures and taxes for the coming fiscal biennium. No later than March 19, 1990, the Committee on Ways and Means shall report a budget resolution to the House for consideration. The budget resolution shall take the form of a House resolution that sets the maximum limitation on expenditures and taxes for the coming fiscal biennium for the general fund and an amount to be set aside as a budget reserve. The limitation is effective, if adopted, unless the House adopts a different limitation in a subsequent budget resolution that accounts for increases or decreases in general fund revenues and expenditures anticipated for the current fiscal biennium.

No bill described in Rule 5.7 or 5.9 shall be given its second reading until the House has received a statement from the Committee on Ways and Means certifying that the major expenditure and tax bills are reconciled and do not exceed the limitation specified in the budget resolution for the general fund. Major expenditure and tax bills are: the education appropriation bill; the environment and natural resources appropriation bill; the human resources appropriation bill; the state government appropriation bill; the economic development, infrastructure and regulation appropriation bill; the education finance bill; and the omnibus tax bill. However, a bill may be given its second reading by special authorization of the Committee on Ways and Means or by majority vote of the whole House. A special authorization may be reported by an oral notice to the House from the Chair of the Committee on Ways and Means or a designee of the Chair stating that the fiscal impact of a bill will be accounted for in the reconciliation statement.

The Committee on Appropriations and the Committee on Taxes, upon recommending passage of any bill described in Rule 5.7 or 5.9, shall provide to the Committee on Ways and Means a fiscal statement on the bill.

After the House has received a reconciliation statement from the Committee on Ways and Means, the House shall not give a second reading to any bill described in Rule 5.7 or 5.9 other than the major expenditure and tax bills. However, a bill may be given its second reading after the House has received from the Committee on Ways and Means a statement certifying that the fiscal impact of the bill is within the guidelines of the budget resolution, or after authorization by majority vote of the whole House. The statement of the Committee on Ways and Means may be reported orally by the Chair of the Committee on Ways and Means or a designee of the Chair.

All other deadlines referred to in the temporary rules shall not be applicable until new Permanent Rules have been adopted.
