A prayer shall be said by the Chaplain or time allowed for a brief meditation. Then, on the first legislative day in any calendar week, it shall be followed by the pledge of allegiance to the flag of the United States of America. Then a roll of members shall be called and the names of members present and members excused shall be entered in the Journal of the House.

## Journal of the House - 26th Day - Top of Page 1115

1.02 READING OF THE JOURNAL. A quorum being present, the Journal of the preceding day shall be read by the Chief Clerk unless otherwise ordered. The House may correct any errors in the Journal of the preceding day.

1.03 ORDER OF BUSINESS. After the reading of the Journal, the order of business of the day shall be:

- (1) Presentation of petitions or other communications.
- (2) Reports of standing committees.
- (3) Second reading of House bills.
- (4) Second reading of Senate bills.
- (5) Reports of select committees.
- (6) Introduction and first reading of House bills.
- (7) Consideration of messages from the Senate.
- (8) First reading of Senate bills.
- (9) Consent Calendar.
- (10) Calendar for the day.
- (11) General Orders.
- (12) Motions and resolutions.

Conference committees on House bills and the Committee on Rules and Legislative Administration may report at any time except when the House is in the Committee of the Whole.

1.04 SECOND READING OF BILLS. Every bill shall require a second reading.

Except as otherwise ordered, every bill requiring the approval of the Governor shall, after a second reading, be considered in a Committee of the Whole before it shall be finally acted upon by the House.

1.05 COMMITTEE OF THE WHOLE. The Committee of the Whole is a committee of the entire membership of the House. The Speaker may appoint another member as chair to preside over the Committee of the Whole.

When the House arrives at the General Orders of the Day, it shall resolve itself into a Committee of the Whole to consider bills on General Orders.

A bill considered in the Committee of the Whole shall be reported and then debated by sections, with the title considered last. All amendments shall be typewritten and five copies shall be submitted to the Chair who shall report them to the House.

1.06 RULES TO APPLY TO COMMITTEE OF THE WHOLE. The Rules of the House shall be observed in the Committee of the Whole so far as may be applicable except that the previous question shall not be forced or speaking limited.

Upon demand of 15 members, the yeas and nays shall be called, the question voted on, and the yeas and nays recorded in the Journal of the House.

In the Committee of the Whole no amendment increasing the amount of any appropriation shall be passed without the yeas and nays recorded in the Journal of the House.

A motion that the Committee arise shall always be in order and shall be decided without debate.

## Journal of the House - 26th Day - Top of Page 1116

1.07 GENERAL ORDERS OF THE DAY. The Chief Clerk at the direction of the Speaker shall prepare the General Orders of the Day, which is a list of all bills which have not been made Special Orders or placed on the Consent Calendar, numbered according to their order at second reading. Unless otherwise ordered by a majority of the Committee, items on General Orders shall be taken up in numerical order.

The Chief Clerk shall see that a copy of each bill printed under the Rules or Orders of the House is placed in each member's file, which is to be kept at the member's desk in the chamber, at least 24 hours before the bill shall be considered in the Committee of the Whole.

If a bill is progressed three times it shall be placed at the end of General Orders.

Except during the last five days in any year on which a bill may be passed, a bill amended in the Committee of the Whole shall not be given its third reading until it is engrossed and reproduced as amended.

1.08 THIRD READING OF BILLS. No amendment shall be received after the third reading without the unanimous consent of the House, except to fill blanks or to amend titles.

At any time prior to its passage any bill or resolution may be referred or re-referred by a majority vote of the whole House. If the committee, other than the Committee of the Whole, to which it was referred or re-referred reports an amendment on it, it shall again be given its second reading, considered in Committee of the Whole, given its third reading and placed upon its final passage.

1.09 SPECIAL ORDERS. A bill may be made the Order of the Day for a special time and be placed upon a separate list known as "Special Orders."

The Committee on Rules and Legislative Administration may by committee report designate as a Special Order any bill which has had its second reading.

Any member may move to make a bill a Special Order by giving notice at least two legislative days in advance of and specifying the day on which the member will so move. The notice shall include the number and title of the bill and the day and time certain for the Special Order. Only the member giving such notice, or another member designated in writing by the member who originally gave notice of the Special Order to the Speaker, may make the motion for the Special Order. A two-thirds vote of the whole House on such motion is required to make a bill a Special Order.

The time set for the motion may not be extended, and failure to make the motion on the specified day forfeits the right to make the motion.

A motion to make a bill a Special Order, when made according to the procedures herein prescribed, shall be a privileged motion, shall take precedence over all other motions except a motion to adjourn or to set the time to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice. A three-fourths vote of the whole House is required to suspend the motion.

Any Special Order, or any part of it, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order; however, a Special Order designated by the Committee on Rules and Legislative Administration may be continued or postponed by a majority vote of the whole House at the time of such Special Order. If a bill on Special Orders has been continued three times by the author or coauthor a motion for continuance shall not be in order and the bill shall be returned to General Orders.

When the time arrives for the consideration of any Special Order, the House shall consider each bill upon the Special Order in the order in which it is listed. After consideration it shall immediately be read the third time and placed upon final passage.

1.10 FINANCE AND REVENUE BILLS GIVEN PRECEDENCE. Any bill relating to taxes or raising revenue and any finance bill, which has had its second reading, shall be acted upon whenever requested by the Chair of the Committee on Ways and Means or by a designee of the Chair or, for any bill relating to taxes or raising revenue, by the Chair of the Committee on Taxes or a designee of the Chair.

# **Journal of the House - 26th Day - Top of Page 1117**

1.11 CONSENT CALENDAR. Any bill of a non-controversial nature for which the committee report recommends placement upon the Consent Calendar shall be given its second reading after the report is adopted and placed upon the Consent Calendar. The bill shall be printed and placed in the members' files at least one day before it can be considered. The bill shall be placed upon the Consent Calendar in the order in which it is given its second reading.

The Consent Calendar shall immediately precede the order of business known as "Calendar for the Day." Every bill on the Consent Calendar shall be debated, given its third reading and voted upon, provided, however, that at any time prior to third reading, ten members may object to any bill as being controversial. Any bill so objected to shall be stricken from the Consent Calendar and be immediately placed upon General Orders, taking its place in the usual order.

- 1.12 SUSPENSION OF RULES TO ADVANCE A BILL. Every bill shall be reported on three different days, except that in case of urgency, a two-thirds majority of the whole House may suspend this Rule. A motion for suspension of the Rules to advance a bill for consideration out of its regular order is in order under the order of business "Motions and Resolutions" or at any time the bill is before the House. The motion must be presented to the Speaker in writing and must state the present position of the bill.
- 1.13 MINORITY REPORTS. Any minority report shall be made separately from the majority report and shall be considered before the majority report. If the minority report is adopted the majority report shall not be considered. If the minority report is not adopted the majority report shall then be considered.
- 1.14 COMMITTEE REPORT LAID OVER. The report of any committee may be laid over one day and printed in the Journal, if so ordered by the House.
- 1.15 RECALLING BILL FROM COMMITTEE OR DIVISION. In regular session, except after the deadline for committee reports on bills originating in the House, any bill or resolution may be recalled from any committee or division at any time by majority vote of the whole House, be given a second reading and be advanced to General Orders. A motion to recall a bill or resolution shall be in order only under the order of business "Motions and Resolutions."
- 1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee or division (other than a bill in the Committee on Ways and Means, the Committee on Taxes or a division of the Committee on Taxes, a finance committee, or a finance division of a standing committee) no report has been made upon it by the committee or division, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee or division shall have ten calendar days thereafter in which to vote upon the bill requested. If the committee or division fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the end of General Orders.

Such <u>The</u> bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

In regular session in 1995 after Friday, May 5, and in 1996 after ....., the House shall not act on bills other than those recommended by conference committee reports, the Committee on Rules and Legislative Administration, or the Committee on Ways and Means, and those bills contained in messages from the Senate or from the Governor.

1.17 DISPOSITION OF SENATE BILLS. Any Senate File received by the House, accompanied by a message announcing its passage by the Senate, shall be referred to the appropriate standing committee in accordance with Rule 5.05. However, if a Senate File is received which is stated by a member to be identical to a House File already reported by a standing committee of the House and placed on General Orders, Calendar, Consent Calendar, or Special Orders, the Senate File shall be referred to the Chief Clerk for comparison. If the Chief Clerk reports that the Senate File is identical with the House File, the Senate File may by majority vote be substituted for the House File and take its place. The fact that the bills are identical shall be entered in the Journal and the House File is then considered withdrawn.

Any Senate File which has been amended on the floor of the House, except at time of final passage, and any Senate File which has been reported to the House with amendments by a House standing committee, shall be unofficially engrossed and reprinted by the Chief Clerk. Amendments to unofficial engrossments of a Senate File may be offered.

#### Journal of the House - 26th Day - Top of Page 1118

1.18 RECORDED FLOOR PROCEEDINGS. All proceedings on the floor of the House shall be recorded on magnetic tape or similar recording device under the direction of the Chief Clerk. All taped proceedings of the House floor sessions shall be delivered to the Director of the Legislative Reference Library and there maintained on file for use by any member of the public in accordance with the rules of the Legislative Reference Library. Tapes delivered to the Legislative Reference

Library shall be kept by the library for eight years after which they shall be delivered to the Director of the Minnesota Historical Society.

Any person may obtain a copy of any such tape during the biennium in which it is recorded upon payment of a fee determined by the Chief Clerk to be adequate to cover the cost of preparing the copy.

Discussion preserved under this rule is not intended to be admissible in any court or administrative proceeding on an issue of legislative intent.

1.19 QUESTION SESSIONS. The House, by resolution, may reserve time at occasions during the legislative session for the Governor to appear to answer questions from House members. Before each question session, the House shall notify the Governor of issues to be covered at that session. The Governor may bring staff to a question session to assist in answering questions.

#### **ARTICLE II - VOTING**

- 2.01 AUTHORIZING ELECTRIC VOTING SYSTEM. Except for a vote upon elections, any vote may be taken by means of the electric voting system which shall be under the control of the Speaker of the House. No member may vote on a question except at the member's own seat in the chamber.
- 2.02 CALL OF THE HOUSE. Ten members may demand a call of the House at any time except after voting has commenced. When such call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave until the roll call is suspended or completed. During the roll call, no motion shall be in order except a motion pertaining to matters incidental to the call. Proceedings under the roll call may be suspended by a majority vote of the whole House. After the roll call is suspended or completed the Sergeant at Arms shall not permit any member to leave the Chamber unless excused by the Speaker. A call of the House may be lifted by a majority vote of the whole House.
- 2.03 DEMANDING YEAS AND NAYS. Yeas and nays shall be ordered without demand upon final passage of bills and upon adoption of resolutions or motions directing the payment of money. In all other cases the yeas and nays shall be ordered only upon demand of 15 members.
- 2.04 EXPLAINING OR CHANGING VOTE. No member shall be allowed to explain a vote or discuss the question while the yeas and nays are being taken, nor be allowed to change a vote after the yeas and nays have been announced from the chair by the Speaker.
- 2.05 EVERY UNEXCUSED MEMBER TO VOTE. Any member who is immediately interested in the question being voted on shall not vote.

Every other member present before a vote is declared from the chair shall vote for or against the matter before the House, unless the House excuses the member from voting. However, no member is required to vote on any matter concerning a resolution, except for a resolution relating to the internal business of the House or the Legislature.

A member who declines to vote on a call of the member's name shall be required to state reasons for so declining. After the vote has been taken but before the chair has announced the vote, the chair shall submit to the House the question, "Shall the member, for the reasons stated, be excused from voting?" which shall be decided without debate. Any other proceedings in reference thereto shall take place after announcement of the vote.

#### ARTICLE III - MOTIONS AND AMENDMENTS

3.01 AMENDMENTS AND OTHER MOTIONS. No amendment or other motion shall be debated until after it is stated by the Speaker.

## Journal of the House - 26th Day - Top of Page 1119

After an amendment or other motion has been stated by the Speaker it is in possession of the House, but the mover may withdraw it at any time before amendment or decision. Unless a motion, resolution or amendment is withdrawn on the day it is made, it shall be entered in the Journal, together with the name of the member offering it.

The Speaker may require any amendment or other motion be typewritten and that five copies be given to the Chief Clerk.

3.02 PRECEDENCE OF MOTIONS. When a question is under consideration, no motion shall be received except the following, the first four of which shall be decided without debate:

- (1) To fix the time of adjournment.
- (2) To adjourn.
- (3) To lay on the table.
- (4) For the previous question.
- (5) To refer.
- (6) To postpone to a day certain.
- (7) To amend.
- (8) To postpone indefinitely.
- (9) To pass.

The motions shall have precedence in the order listed. However, if the motion for the previous question has been seconded and the main question ordered, the motion to lay on the table shall not be in order.

3.03 MOTION TO ADJOURN. A motion to adjourn shall always be in order except during roll call.

When a motion to adjourn is made it shall be in order for the Speaker, before putting the question, to permit any member to state reasons which would seem to render adjournment improper at that time. Such a statement shall not be debatable and shall be limited to not over two minutes.

3.04 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such the motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such The motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have has left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made. <u>Notice of intention to move reconsideration is subject to the deadline in Rule 9.03.</u>

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

In regular session in 1995, notice of intention to move reconsideration shall not be in order after Monday, April 17.

In regular session in 1996, notice of intention to move reconsideration shall not be in order after .....

## Journal of the House - 26th Day - Top of Page 1120

3.05 ORDER OF PUTTING QUESTION. Except in the case of privileged questions, all questions, whether in committee or in the House, shall be put in the order in which they are moved. When filling blanks, a motion for the largest sum or the longest time shall be put first.

- 3.06 DIVISION OF A QUESTION. Any member may request the division of a question which contains several separate and distinct points. A motion to strike out and insert shall not be divisible. If a motion to strike out is lost it shall not preclude another motion to amend or to strike out and insert.
- 3.07 THE PREVIOUS QUESTION. The motion calling for the previous question must be seconded by 15 members. If the motion for the previous question is ordered by a majority of members present, it shall have the effect of cutting off all debate and bringing the House to direct vote upon the question or questions.

The previous question may be moved and ordered upon a single motion, a series of motions allowable under the Rules, or an amendment or amendments; or it may include all authorized motions or amendments, including a vote on final passage of a bill.

On a motion for the previous question, but prior to its being ordered, a call of the House shall be in order. After a majority has ordered the previous question, no call shall be in order prior to the decision on the main question.

When the previous question is decided in the negative, the main question remains under debate until disposed of by taking a vote either on the question or in some other manner.

All incidental questions of order arising after a motion is made for the previous question and prior to the vote on the main question shall be decided without debate.

- 3.08 AMENDMENTS TO AMENDMENTS. An amendment may be amended, but an amendment to an amendment may not be amended.
- 3.09 MOTIONS AND PROPOSITIONS TO BE GERMANE. No motion or proposition on a subject different from that under consideration shall be admitted under guise of its being an amendment.
- 3.10 AMENDMENT NOT TO ANNEX ANOTHER BILL. Except in a standing committee no bill or resolution shall at any time be amended by annexing or incorporating any other bill or resolution.
- 3.11 RESOLUTIONS AND MOTIONS INVOLVING EXPENDITURE OF MONEY. Any resolution or motion involving the expenditure of money out of the legislative expense fund shall be referred to the Committee on Rules and Legislative Administration before being acted upon by the House. A majority vote of the whole House, determined by a roll call, is required to pass any such resolution or motion.
- 3.12 AMENDMENTS TO APPROPRIATION AND TAX BILLS. No amendment increasing an appropriation and no amendment increasing a tax shall be declared passed until voted for by a majority of the whole House determined by a roll call vote.
- 3.13 MOTION TO LAY ON THE TABLE. A motion to lay on the table shall not be in order on a motion to amend, except that a motion to amend the Rules may be tabled.
- 3.14 MOTION TO RESCIND. The motion to rescind shall not be in order at any time in any proceeding in the House or in any committee of the House.
- 3.15 SUSPENSION OR AMENDMENT OF THE RULES. The concurrence of two-thirds of the whole House is required to suspend, alter, or amend any Rule of the House, except that any amendment to the Rules reported by the Committee on Rules and Legislative Administration may be adopted by a majority of the whole House.

Except as provided in Rule 1.12, a motion to suspend, alter, or amend any Rule of the House must be made under the order of business "Motions and Resolutions." If the motion is made at any other time, unanimous consent is required before the Speaker can entertain the motion.

#### Journal of the House - 26th Day - Top of Page 1121

A motion to suspend the Rules, together with the subject matter to which it pertains, is debatable, but the previous question may be applied to the motion.

4.01 ABSENCE OF MEMBERS AND OFFICERS. Unless illness or other sufficient cause prevents attendance, no member or officer of the House shall be absent from any session of the House without first having obtained from the Speaker permission to be absent.

4.02 DUTIES OF MEMBERS. Members shall keep their seats until the Speaker announces adjournment.

Every member, before speaking, shall rise and respectfully address the Speaker and shall not speak further until recognized by the Speaker. When two or more members rise at the same time, the Speaker shall designate the member to speak first.

4.03 QUESTIONS OF ORDER. If any member of the House transgresses the Rules, either in speaking or in any other way, the Speaker shall, or any member may, call the member to order. A member so called to order shall immediately sit down unless another member moves to permit the member who was called to order to explain. In either case, the House, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall that member be at liberty to proceed. A member called to order shall be liable to censure or such other punishment as the House may deem proper.

4.04 ORDER IN DEBATE. No member shall speak more than twice on the same subject without leave of the House, nor more than once until every other member wishing to speak on the pending question has had an opportunity to do so.

4.05 NOTICE OF INTENTION TO DEBATE A RESOLUTION. Any member may give notice of intention to debate a resolution, except one introduced as a house file or a senate file under Rule 5.02 or one offered by the Committee on Rules and Legislative Administration or the Committee on Ethics. Such The notice may be given at any time before the vote is taken on the resolution. If such the notice is given, the resolution shall be laid over one day without debate or any other action.

4.06 OFFENSIVE WORDS IN DEBATE. #### PERMANENT RULES OF THE HOUSE OF REPRESENTATIVES.

#### ARTICLE I - DAILY BUSINESS

1.01 CONVENING OF THE HOUSE. Unless otherwise ordered, regular sessions of the House shall convene at two-thirty p.m. The Speaker shall take the chair at the hour at which the House convenes and the House shall then be called to order. A prayer shall be said by the Chaplain or time allowed for a brief meditation. Then, on the first legislative day in

## Journal of the House - 26th Day - Top of Page 1155

any calendar week, it shall be followed by the pledge of allegiance to the flag of the United States of America. Then a roll of members shall be called and the names of members present and members excused shall be entered in the Journal of the House.

- 1.02 READING OF THE JOURNAL. A quorum being present, the Journal of the preceding day shall be read by the Chief Clerk unless otherwise ordered. The House may correct any errors in the Journal of the preceding day.
- 1.03 ORDER OF BUSINESS. After the reading of the Journal, the order of business of the day shall be:
- (1) Presentation of petitions or other communications.
- (2) Reports of standing committees.
- (3) Second reading of House bills.
- (4) Second reading of Senate bills.
- (5) Reports of select committees.
- (6) Introduction and first reading of House bills.
- (7) Consideration of messages from the Senate.
- (8) First reading of Senate bills.

- (9) Consent Calendar.
- (10) Calendar for the day.
- (11) General Orders.
- (12) Motions and resolutions.

Conference committees on House bills and the Committee on Rules and Legislative Administration may report at any time except when the House is in the Committee of the Whole.

1.04 SECOND READING OF BILLS. Every bill shall require a second reading.

Except as otherwise ordered, every bill requiring the approval of the Governor shall, after a second reading, be considered in a Committee of the Whole before it shall be finally acted upon by the House.

1.05 COMMITTEE OF THE WHOLE. The Committee of the Whole is a committee of the entire membership of the House. The Speaker may appoint another member as chair to preside over the Committee of the Whole.

When the House arrives at the General Orders of the Day, it shall resolve itself into a Committee of the Whole to consider bills on General Orders.

A bill considered in the Committee of the Whole shall be reported and then debated by sections, with the title considered last. All amendments shall be typewritten and five copies shall be submitted to the Chair who shall report them to the House.

1.06 RULES TO APPLY TO COMMITTEE OF THE WHOLE. The Rules of the House shall be observed in the Committee of the Whole so far as may be applicable except that the previous question shall not be forced or speaking limited.

Upon demand of 15 members, the yeas and nays shall be called, the question voted on, and the yeas and nays recorded in the Journal of the House.

## Journal of the House - 26th Day - Top of Page 1156

In the Committee of the Whole no amendment increasing the amount of any appropriation shall be passed without the yeas and nays recorded in the Journal of the House.

A motion that the Committee arise shall always be in order and shall be decided without debate.

1.07 GENERAL ORDERS OF THE DAY. The Chief Clerk at the direction of the Speaker shall prepare the General Orders of the Day, which is a list of all bills which have not been made Special Orders or placed on the Consent Calendar, numbered according to their order at second reading. Unless otherwise ordered by a majority of the Committee, items on General Orders shall be taken up in numerical order.

The Chief Clerk shall see that a copy of each bill printed under the Rules or Orders of the House is placed in each member's file, which is to be kept at the member's desk in the chamber, at least 24 hours before the bill shall be considered in the Committee of the Whole.

If a bill is progressed three times it shall be placed at the end of General Orders.

Except during the last five days in any year on which a bill may be passed, a bill amended in the Committee of the Whole shall not be given its third reading until it is engrossed and reproduced as amended.

1.08 THIRD READING OF BILLS. No amendment shall be received after the third reading without the unanimous consent of the House, except to fill blanks or to amend titles.

At any time prior to its passage any bill or resolution may be referred or re-referred by a majority vote of the whole House. If the committee, other than the Committee of the Whole, to which it was referred or re-referred reports an amendment on

it, it shall again be given its second reading, considered in Committee of the Whole, given its third reading and placed upon its final passage.

1.09 SPECIAL ORDERS. A bill may be made the Order of the Day for a special time and be placed upon a separate list known as "Special Orders."

The Committee on Rules and Legislative Administration may by committee report designate as a Special Order any bill which has had its second reading.

Any member may move to make a bill a Special Order by giving notice at least two legislative days in advance of and specifying the day on which the member will so move. The notice shall include the number and title of the bill and the day and time certain for the Special Order. Only the member giving such notice, or another member designated in writing by the member who originally gave notice of the Special Order to the Speaker, may make the motion for the Special Order. A two-thirds vote of the whole House on such motion is required to make a bill a Special Order.

The time set for the motion may not be extended, and failure to make the motion on the specified day forfeits the right to make the motion.

A motion to make a bill a Special Order, when made according to the procedures herein prescribed, shall be a privileged motion, shall take precedence over all other motions except a motion to adjourn or to set the time to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice. A three-fourths vote of the whole House is required to suspend the motion.

Any Special Order, or any part of it, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order; however, a Special Order designated by the Committee on Rules and Legislative Administration may be continued or postponed by a majority vote of the whole House at the time of such Special Order. If a bill on Special Orders has been continued three times by the author or coauthor a motion for continuance shall not be in order and the bill shall be returned to General Orders.

When the time arrives for the consideration of any Special Order, the House shall consider each bill upon the Special Order in the order in which it is listed. After consideration it shall immediately be read the third time and placed upon final passage.

## Journal of the House - 26th Day - Top of Page 1157

- 1.10 FINANCE AND REVENUE BILLS GIVEN PRECEDENCE. Any bill relating to taxes or raising revenue and any finance bill, which has had its second reading, shall be acted upon whenever requested by the Chair of the Committee on Ways and Means or by a designee of the Chair or, for any bill relating to taxes or raising revenue, by the Chair of the Committee on Taxes or a designee of the Chair.
- 1.11 CONSENT CALENDAR. Any bill of a non-controversial nature for which the committee report recommends placement upon the Consent Calendar shall be given its second reading after the report is adopted and placed upon the Consent Calendar. The bill shall be printed and placed in the members' files at least one day before it can be considered. The bill shall be placed upon the Consent Calendar in the order in which it is given its second reading.

The Consent Calendar shall immediately precede the order of business known as "Calendar for the Day." Every bill on the Consent Calendar shall be debated, given its third reading and voted upon, provided, however, that at any time prior to third reading, ten members may object to any bill as being controversial. Any bill so objected to shall be stricken from the Consent Calendar and be immediately placed upon General Orders, taking its place in the usual order.

- 1.12 SUSPENSION OF RULES TO ADVANCE A BILL. Every bill shall be reported on three different days, except that in case of urgency, a two-thirds majority of the whole House may suspend this Rule. A motion for suspension of the Rules to advance a bill for consideration out of its regular order is in order under the order of business "Motions and Resolutions" or at any time the bill is before the House. The motion must be presented to the Speaker in writing and must state the present position of the bill.
- 1.13 MINORITY REPORTS. Any minority report shall be made separately from the majority report and shall be considered before the majority report. If the minority report is adopted the majority report shall not be considered. If the minority report is not adopted the majority report shall then be considered.

- 1.14 COMMITTEE REPORT LAID OVER. The report of any committee may be laid over one day and printed in the Journal, if so ordered by the House.
- 1.15 RECALLING BILL FROM COMMITTEE OR DIVISION. In regular session, except after the deadline for committee reports on bills originating in the House, any bill or resolution may be recalled from any committee or division at any time by majority vote of the whole House, be given a second reading and be advanced to General Orders. A motion to recall a bill or resolution shall be in order only under the order of business "Motions and Resolutions."
- 1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee or division (other than a bill in the Committee on Ways and Means, the Committee on Taxes or a division of the Committee on Taxes, a finance committee, or a finance division of a standing committee) no report has been made upon it by the committee or division, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee or division shall have ten calendar days thereafter in which to vote upon the bill requested. If the committee or division fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the end of General Orders.

The bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

1.17 DISPOSITION OF SENATE BILLS. Any Senate File received by the House, accompanied by a message announcing its passage by the Senate, shall be referred to the appropriate standing committee in accordance with Rule 5.05. However, if a Senate File is received which is stated by a member to be identical to a House File already reported by a standing committee of the House and placed on General Orders, Calendar, Consent Calendar, or Special Orders, the Senate File shall be referred to the Chief Clerk for comparison. If the Chief Clerk reports that the Senate File is identical with the House File, the Senate File may by majority vote be substituted for the House File and take its place. The fact that the bills are identical shall be entered in the Journal and the House File is then considered withdrawn.

# Journal of the House - 26th Day - Top of Page 1158

Any Senate File which has been amended on the floor of the House, except at time of final passage, and any Senate File which has been reported to the House with amendments by a House standing committee, shall be unofficially engrossed and reprinted by the Chief Clerk. Amendments to unofficial engrossments of a Senate File may be offered.

1.18 RECORDED FLOOR PROCEEDINGS. All proceedings on the floor of the House shall be recorded on magnetic tape or similar recording device under the direction of the Chief Clerk. All taped proceedings of the House floor sessions shall be delivered to the Director of the Legislative Reference Library and there maintained on file for use by any member of the public in accordance with the rules of the Legislative Reference Library. Tapes delivered to the Legislative Reference Library shall be kept by the library for eight years after which they shall be delivered to the Director of the Minnesota Historical Society.

Any person may obtain a copy of any such tape during the biennium in which it is recorded upon payment of a fee determined by the Chief Clerk to be adequate to cover the cost of preparing the copy.

Discussion preserved under this rule is not intended to be admissible in any court or administrative proceeding on an issue of legislative intent.

1.19 QUESTION SESSIONS. The House, by resolution, may reserve time at occasions during the legislative session for the Governor to appear to answer questions from House members. Before each question session, the House shall notify the Governor of issues to be covered at that session. The Governor may bring staff to a question session to assist in answering questions.

## ARTICLE II - VOTING

2.01 AUTHORIZING ELECTRIC VOTING SYSTEM. Except for a vote upon elections, any vote may be taken by means of the electric voting system which shall be under the control of the Speaker of the House. No member may vote on a question except at the member's own seat in the chamber.

2.02 CALL OF THE HOUSE. Ten members may demand a call of the House at any time except after voting has commenced. When such call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave until the roll call is suspended or completed. During the roll call, no motion shall be in order except a motion pertaining to matters incidental to the call. Proceedings under the roll call may be suspended by a majority vote of the whole House. After the roll call is suspended or completed the Sergeant at Arms shall not permit any member to leave the Chamber unless excused by the Speaker. A call of the House may be lifted by a majority vote of the whole House.

2.03 DEMANDING YEAS AND NAYS. Yeas and nays shall be ordered without demand upon final passage of bills and upon adoption of resolutions or motions directing the payment of money. In all other cases the yeas and nays shall be ordered only upon demand of 15 members.

2.04 EXPLAINING OR CHANGING VOTE. No member shall be allowed to explain a vote or discuss the question while the yeas and nays are being taken, nor be allowed to change a vote after the yeas and nays have been announced from the chair by the Speaker.

2.05 EVERY UNEXCUSED MEMBER TO VOTE. Any member who is immediately interested in the question being voted on shall not vote.

Every other member present before a vote is declared from the chair shall vote for or against the matter before the House, unless the House excuses the member from voting. However, no member is required to vote on any matter concerning a resolution, except for a resolution relating to the internal business of the House or the Legislature.

A member who declines to vote on a call of the member's name shall be required to state reasons for so declining. After the vote has been taken but before the chair has announced the vote, the chair shall submit to the House the question, "Shall the member, for the reasons stated, be excused from voting?" which shall be decided without debate. Any other proceedings in reference thereto shall take place after announcement of the vote.

# Journal of the House - 26th Day - Top of Page 1159

#### ARTICLE III - MOTIONS AND AMENDMENTS

3.01 AMENDMENTS AND OTHER MOTIONS. No amendment or other motion shall be debated until after it is stated by the Speaker.

After an amendment or other motion has been stated by the Speaker it is in possession of the House, but the mover may withdraw it at any time before amendment or decision. Unless a motion, resolution or amendment is withdrawn on the day it is made, it shall be entered in the Journal, together with the name of the member offering it.

The Speaker may require any amendment or other motion be typewritten and that five copies be given to the Chief Clerk.

- 3.02 PRECEDENCE OF MOTIONS. When a question is under consideration, no motion shall be received except the following, the first four of which shall be decided without debate:
- (1) To fix the time of adjournment.
- (2) To adjourn.
- (3) To lay on the table.
- (4) For the previous question.
- (5) To refer.
- (6) To postpone to a day certain.
- (7) To amend.
- (8) To postpone indefinitely.

## (9) To pass.

The motions shall have precedence in the order listed. However, if the motion for the previous question has been seconded and the main question ordered, the motion to lay on the table shall not be in order.

3.03 MOTION TO ADJOURN. A motion to adjourn shall always be in order except during roll call.

When a motion to adjourn is made it shall be in order for the Speaker, before putting the question, to permit any member to state reasons which would seem to render adjournment improper at that time. Such a statement shall not be debatable and shall be limited to not over two minutes.

3.04 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that the motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. The motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken has left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made. Notice of intention to move reconsideration is subject to the deadline in Rule 9.03.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

# Journal of the House - 26th Day - Top of Page 1160

A motion for reconsideration having been voted upon and lost shall not be renewed.

- 3.05 ORDER OF PUTTING QUESTION. Except in the case of privileged questions, all questions, whether in committee or in the House, shall be put in the order in which they are moved. When filling blanks, a motion for the largest sum or the longest time shall be put first.
- 3.06 DIVISION OF A QUESTION. Any member may request the division of a question which contains several separate and distinct points. A motion to strike out and insert shall not be divisible. If a motion to strike out is lost it shall not preclude another motion to amend or to strike out and insert.
- 3.07 THE PREVIOUS QUESTION. The motion calling for the previous question must be seconded by 15 members. If the motion for the previous question is ordered by a majority of members present, it shall have the effect of cutting off all debate and bringing the House to direct vote upon the question or questions.

The previous question may be moved and ordered upon a single motion, a series of motions allowable under the Rules, or an amendment or amendments; or it may include all authorized motions or amendments, including a vote on final passage of a bill.

On a motion for the previous question, but prior to its being ordered, a call of the House shall be in order. After a majority has ordered the previous question, no call shall be in order prior to the decision on the main question.

When the previous question is decided in the negative, the main question remains under debate until disposed of by taking a vote either on the question or in some other manner.

All incidental questions of order arising after a motion is made for the previous question and prior to the vote on the main question shall be decided without debate.

3.08 AMENDMENTS TO AMENDMENTS. An amendment may be amended, but an amendment to an amendment may not be amended.

- 3.09 MOTIONS AND PROPOSITIONS TO BE GERMANE. No motion or proposition on a subject different from that under consideration shall be admitted under guise of its being an amendment.
- 3.10 AMENDMENT NOT TO ANNEX ANOTHER BILL. Except in a standing committee no bill or resolution shall at any time be amended by annexing or incorporating any other bill or resolution.
- 3.11 RESOLUTIONS AND MOTIONS INVOLVING EXPENDITURE OF MONEY. Any resolution or motion involving the expenditure of money out of the legislative expense fund shall be referred to the Committee on Rules and Legislative Administration before being acted upon by the House. A majority vote of the whole House, determined by a roll call, is required to pass any such resolution or motion.
- 3.12 AMENDMENTS TO APPROPRIATION AND TAX BILLS. No amendment increasing an appropriation and no amendment increasing a tax shall be declared passed until voted for by a majority of the whole House determined by a roll call vote.
- 3.13 MOTION TO LAY ON THE TABLE. A motion to lay on the table shall not be in order on a motion to amend, except that a motion to amend the Rules may be tabled.
- 3.14 MOTION TO RESCIND. The motion to rescind shall not be in order at any time in any proceeding in the House or in any committee of the House.
- 3.15 SUSPENSION OR AMENDMENT OF THE RULES. The concurrence of two-thirds of the whole House is required to suspend, alter, or amend any Rule of the House, except that any amendment to the Rules reported by the Committee on Rules and Legislative Administration may be adopted by a majority of the whole House.

# Journal of the House - 26th Day - Top of Page 1161

Except as provided in Rule 1.12, a motion to suspend, alter, or amend any Rule of the House must be made under the order of business "Motions and Resolutions." If the motion is made at any other time, unanimous consent is required before the Speaker can entertain the motion.

A motion to suspend the Rules, together with the subject matter to which it pertains, is debatable, but the previous question may be applied to the motion.

#### ARTICLE IV - DEBATE AND DECORUM

- 4.01 ABSENCE OF MEMBERS AND OFFICERS. Unless illness or other sufficient cause prevents attendance, no member or officer of the House shall be absent from any session of the House without first having obtained from the Speaker permission to be absent.
- 4.02 DUTIES OF MEMBERS. Members shall keep their seats until the Speaker announces adjournment.

Every member, before speaking, shall rise and respectfully address the Speaker and shall not speak further until recognized by the Speaker. When two or more members rise at the same time, the Speaker shall designate the member to speak first.

- 4.03 QUESTIONS OF ORDER. If any member of the House transgresses the Rules, either in speaking or in any other way, the Speaker shall, or any member may, call the member to order. A member so called to order shall immediately sit down unless another member moves to permit the member who was called to order to explain. In either case, the House, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall that member be at liberty to proceed. A member called to order shall be liable to censure or such other punishment as the House may deem proper.
- 4.04 ORDER IN DEBATE. No member shall speak more than twice on the same subject without leave of the House, nor more than once until every other member wishing to speak on the pending question has had an opportunity to do so.
- 4.05 NOTICE OF INTENTION TO DEBATE A RESOLUTION. Any member may give notice of intention to debate a resolution, except one introduced as a house file or a senate file under Rule 5.02 or one offered by the Committee on Rules and Legislative Administration or the Committee on Ethics. The notice may be given at any time before the vote is taken on the resolution. If the notice is given, the resolution shall be laid over one day without debate or any other action.

4.06 OFFENSIVE WORDS IN DEBATE. If any member is called to order for offensive words in debate, the member calling for order shall report the words to which exception is taken and the Clerk shall record them. No member shall be held to answer or be subject to censure of the House for any language used in debate if exception is not taken before any other member has spoken or any other business has taken place.

4.07 ORDER DURING SESSION. No member shall walk out of or across the Chamber when the Speaker is putting the question. No member shall engage in private conversation while another member is speaking or pass between the speaking member and the Chair.

4.08 NO ONE TO REMAIN BY THE CHIEF CLERK'S DESK. No member or other person shall remain by the Chief Clerk's desk while the yeas and nays are being called.

4.09 WHO MAY BE ADMITTED TO THE FLOOR. No person shall be admitted within the House Chamber, except members themselves, properly authorized employees, the Chief Executive and ex-governors of the State of Minnesota, members of the Senate, heads of departments of the state government, judges of the Supreme Court, Court of Appeals, and District Courts, members of Congress, properly accredited representatives of radio and television stations, newspapers and press associations, as herein provided for, and none other. When a former member of Congress or the Minnesota Legislature or any other person is issued a permit by the Speaker good for the day, that person shall be provided with a seat near the Speaker's rostrum, and at no time shall a conversation be carried on so as to disturb the business of the House. Before issuing the permit, the Speaker shall make certain that the person does not seek the floor of the House for the purpose of influencing decisions of the House.

# Journal of the House - 26th Day - Top of Page 1162

The alcoves shall be kept for the use of members only, and the Sergeant at Arms shall keep them cleared.
