*A bill for the amendment of a statute shall contain the full text of the chapter, section, or subdivision to be amended as it appears in the latest edition of Minnesota Statutes, unless it has been amended at a later session, in which event it shall contain the full text as amended. The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of the new section or subdivision shall also be underscored when a bill amends an existing chapter, section or subdivision, by adding a new section or subdivision. Before a committee favorably reports upon such a bill, the chairman of the committee shall see that the bill conforms to this rule. When a bill is printed, the new matter shall be in italics, or underscored, and the matter to be eliminated shall be capitalized and in brackets, or stricken by drawing a line through it. *If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for his examination. Any such headnotes shall be in capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, Section 648.36.*

*All numbers in titles shall be expressed in figures. All numbers of section or chapter of laws shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers in parentheses.*

*That joint rule 20 be amended to read:*
