##### PRESIDENT'S DUTIES

After an affirmative vote is expressed the nays shall be called as follows: "As many as are of the contrary opinion, say 'No.'" If the President is in doubt or a division is called, those in the affirmative shall rise first and those in the negative afterward.

## ORDER OF DEBATE

### ARTICLE II: BILLS

#### FORM

Rule 2.01. The title of each bill shall clearly state its subject and briefly state its purpose. When a bill amends or repeals an existing act, the title shall refer to the chapter, section or subdivision.

Reference shall be made to Minnesota Statutes for the provisions appearing therein unless reference to previous session laws is required for some special reason.

Bills shall refer to Minnesota Statutes as follows:

"Minnesota Statutes ....., section ....."

Bills shall refer to the session laws as follows:

"Laws ....., chapter ....., section ....."

A bill for the amendment of a statute shall contain the full text of the section or subdivision to be amended as it appears in the latest edition of Minnesota Statutes unless it has been amended, in which event it shall contain the full text as amended.

The words and characters constituting the amending matter shall be inserted in the proper place in the text and underscored. The words and characters to be eliminated by the amendment shall be stricken by drawing a line through them. The text of a new section or subdivision shall also be underscored when a bill amends an

existing chapter or section by adding a new section or subdivision. In the omnibus appropriation bills required by Joint Rule 2.02, sections making an appropriation or transfer and not amending a statute or session law need not have new material underscored. Before a committee favorably reports upon a bill, the chairman of the committee shall see that the bill conforms to this rule. When a bill is printed in the Journal, the new matter shall be in italics or underscored and the matter to be eliminated shall be capitalized and in parentheses or stricken by drawing a line through it. A bill drafted by the Revisor of Statutes for the purposes of correcting errors in Minnesota Statutes need not comply with the provisions of this paragraph if the bill is labeled "REVISOR'S BILL" immediately below the title, and if there is attached thereto a memorandum of information explaining the reasons for the bill.

If the bill is for an original law and not for an amendment of an existing law, the sections and subdivisions shall be arranged, subdivided, and numbered in like manner as Minnesota Statutes. If such a bill assigns to the sections thereof headnotes or identification by the decimal system of numbering used in Minnesota Statutes, such headnotes and decimal identification may be submitted by standing committee chairmen to the Revisor of Statutes for examination. Any such headnotes shall be capital letters enclosed in brackets, and shall be subject to the provisions of Minnesota Statutes, section 648.36.

All numbers in titles shall be expressed in figures. All numbers of section or chapter of law shall be in figures. In the body of a bill numbers in excess of ten shall be in figures, except for a special reason they may be written, but when written they shall not be followed by numbers or parentheses.

#### APPROPRIATING MONEY

Rule 2.02. The same bill shall not appropriate public money or property to more than one local or private purpose.

No clause appropriating money for a local or private purpose shall be contained in a bill appropriating money for the State government or public institutions. All resolutions authorizing the issuing of abstracts by the Secretary of the Senate or the Chief Clerk of the House for the payment of money shall be upon the call of "yeas" and "nays."

In odd-numbered years, at least twenty calendar days prior to the last day the Legislature can meet in regular session [Tuesday, April 28, 1987], the Committee on Finance of the Senate and the Committee on Appropriations of the House shall report to their respective houses, unless directed by concurrent resolution to report

different appropriation bills, eight separate appropriation bills as follows:

(a) A bill appropriating money for the general administrative and judicial expenses of the State government for the succeeding two fiscal years including salaries, office expenses and supplies and other necessary expenses connected therewith;

(b) A bill covering all appropriations relating to public welfare, health and corrections for the support and maintenance of all State penal and charitable institutions, and other institutions of the State except educational for the two succeeding fiscal years;

(c) A bill appropriating money for the support and maintenance of all State educational institutions for the two succeeding fiscal years;

(d) A bill covering all appropriations providing for the payment of claims against the State of Minnesota which may have been allowed by the Finance Committee of the Senate or the Appropriations Committee of the House;

(e) A bill covering all appropriations made for semi-state activities;

(f) A bill covering all appropriations for construction and major rehabilitation of public buildings to be financed by issuance of bonds;

(g) A bill covering all appropriations for maintenance, repair, and minor rehabilitation and construction of public buildings; and

(h) A bill covering appropriations for the department of transportation.

No other appropriations shall be contained in any of said bills but all other appropriations shall be contained in separate bills.

#### DEADLINES

Rule 2.03. (a) In odd-numbered years, committee reports on bills favorably acted upon by a committee in the house of origin after April 10, 1987, and committee reports on bills originating in the other house favorably acted upon by a committee after April 28, 1987, shall be referred in the Senate to the Committee on Rules and Administration, and in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. Referral is not required when a committee after the earlier date and by the later date set by this paragraph acts on a bill that is a companion to a bill that has met the earlier deadline in the other

house. This rule does not apply to the Senate Committees on Finance and on Taxes and Tax Laws, and the House Committees on Appropriations and on Taxes.

Conference committees on the major appropriation bills specified in Joint Rule 2.02 shall have their reports on the members' desks by the last Thursday on which the Legislature can meet in regular session [May 14, 1987]. After the last Friday on which the Legislature can meet in regular session [May 15, 1987], neither house shall act on bills other than those contained in:

(1) Reports of conference committees;

(2) Messages from the other house;

(3) Reports of the Committee on Rules and Administration in the Senate or the Committee on Rules and Legislative Administration in the House; or

(4) Messages from the Governor.

(b) In even-numbered years the Legislature shall establish by concurrent resolution deadlines based on the date intended to be the date of adjournment sine die.

#### AMENDING BILLS ORIGINATING IN OTHER HOUSE

Rule 2.04. Either house shall have the power to amend any bill, memorial, or resolution passed by the other house.

#### RECEDING FROM POSITION

Rule 2.05. Prior to a Conference Committee on any matter, either house may recede from its position on any difference existing between the two houses. In order to recede, and if the matter is not in the possession of a house, that house shall request return of the matter from the other house. To recede, a majority of a house shall govern, except in cases otherwise provided in the Constitution. If the question is put and lost, it shall not be put again on the same day. A reconsideration of the question shall in all respects be regulated by the rules of that house.

#### CONFERENCE COMMITTEES

Rule 2.06. In all cases of disagreement between the Senate and House on amendments adopted by either house to a bill, memorial or resolution passed by the other house, a conference committee consisting of not less than three members nor more than five

members from each house may be requested by either house. The other house shall appoint a similar committee.

The manner of procedure shall be as follows: The house of origin passes a bill and transmits it to the other body. If the other body adopts an amendment to the bill and passes it as amended, it shall return the bill with a record of its actions to the house of origin. If the house of origin refuses to concur in the amendment, it shall ask for a conference committee, appoint such a committee on its part, and transmit the bill with a record of its action to the other house. If the other house adheres to its amendment, it shall appoint a like committee and return the bill to the house of origin.

At an agreed upon hour the conference committee shall meet. The members from each house shall state to the members from the other house, orally or in writing, the reason for their respective positions. The members shall confer thereon and shall report to their respective houses the agreement they have reached, or, if none, the fact of a disagreement.

If an agreement is reported, the house of origin shall act first upon the report. A conference committee report must be limited to provisions that are germane to the bill and amendment that were referred to the conference committee. A provision is not germane if it relates to a substantially different subject or is intended to accomplish a substantially different purpose from that of the bill and amendment that were referred to the conference committee. If the report is adopted and repassed as amended by the conference committee by the house of origin, the report, the bill and a record of its action shall be transmitted to the other house.

All conference committees shall be open to the public. Meetings of conference committees shall be announced as far in advance as practical.

Except after the last Thursday on which the Legislature can meet in regular session in odd-numbered years [May 14, 1987], and after the last Thursday on which the Legislature intended, when it adopted the concurrent resolution required by Rule 2.03, paragraph (b), to meet in regular session in even-numbered years, a written copy of a report of a conference committee shall be placed on the desk of each member of a house twelve hours before action on the report by that house. If the report has been reprinted in the Journal of either house for a preceding day and is available to the members, the Journal copy shall serve as the written report. The member presenting the conference committee report to the body shall disclose, either in writing or orally, the substantial changes from the bill or the amendment as they were last before the body.

#### ENROLLMENT AND SIGNATURE

Rule 2.07. After a bill or memorial has been passed by both houses, it shall be carefully and properly enrolled by the Revisor of

Statutes under the direction of the Secretary of the Senate for a matter originating in the Senate or the Chief Clerk of the House for a matter originating in the House. The Revisor of Statutes shall obtain the signatures and certificates of the proper officers to the enrolled copy of the bill or memorial and present it to the Governor for his approval.

A bill or memorial may be prepared for presentation to the Governor on good quality paper approximately 8 1/2" x 14" in size and may be produced by means of a copying machine. An enrolled bill shall be labeled "An Act" and it shall be identical to the bill passed by the Legislature. An enrolled bill which is amendatory of any existing law or constitutional provision shall indicate deletions and additions in the manner provided in Rule 2.01 for printed bills.

### ARTICLE III: GENERAL PROVISIONS

#### SUSPENSION OF JOINT RULES

Rule 3.01. Either house may suspend the Joint Rules of the Senate and House by a vote of two-thirds of its members.

#### ODD YEAR SESSION ADJOURNMENT

Rule 3.02. Adjournment of the regular session in any odd-numbered year to a date certain in the following year shall be equivalent to daily adjournment, except that upon adjournment in any odd-numbered year to a date certain in the following year:

(a) Any bill being considered by a Conference Committee shall be returned to the house of origin, laid on the table, and the Conference Committee shall be discharged;

(b) Any bill referred to the Committee on Rules and Administration in the Senate or the Committee on Rules and Legislative Administration in the House pursuant to Joint Rule 2.03 shall be returned to the standing committee to which it was last previously referred; and

A brief summary of the recommendations of the commission or committee shall appear first and be clearly separated from its findings, discussions, and exhibits.
