The temporary Joint Rules of the Senate and the House of Representatives for the 83rd session are adopted as the temporary joint rules for the 84th session, to be effective until the adoption of Permanent Joint Rules by the Senate and the House of Representatives.

Page 1, line 10, delete the period and insert:

", subject to the following amendment:

Joint Rule 2.03 is amended to read:

Rule 2.03. [DEADLINES.] The Legislature shall establish by concurrent resolution deadlines for each regular session. The deadlines do not apply to the House committees on Capital Investment, Ways and Means, Taxes, or Rules and Legislative Administration, nor to the Senate committees on Capital Investment, Finance, Taxes, or Rules and Administration.

The first deadline is for committees to act favorably on bills in the house of origin.

The second deadline is for committees to act favorably on bills, or companions of bills, that met the first deadline in the other house.

A committee has until the second deadline to act favorably on a bill, or the companion of a bill, that by the first deadline was referred to a finance committee. The deadline for a committee of either house to act on a bill that has been recommended favorably by the Legislative Commission on Pensions and Retirement is the second committee deadline. The major appropriation bills are exempt from the first two deadlines.

The third deadline is for committees to act favorably on major appropriation and finance bills.

When a committee in either house acts favorably on a bill after a deadline established in the concurrent resolution, the bill must be referred in the Senate to the Committee on Rules and Administration and in the House of Representatives to the Committee on Rules and Legislative Administration for disposition. Either rules committee, when reporting a bill referred to the committee under this rule, may waive application of the rule to subsequent actions on that bill by other committees."
