The motion prevailed.

Senator Gazelka introduced --

Senate Resolution No. 230: A Senate resolution amending the Temporary Rules of the Senate.

Temporary Senate Rule No. 14.1 is amended to read:

14.1 The President shall take the chair at the time to which the Senate adjourned. The President shall immediately call the members to order and, on the appearance of a quorum, shall proceed with the regular order of business. For the purposes of establishing a quorum, members who have informed the President of their intention to vote from a remote location under the provisions of Rule 40.7 may be counted for the duration of the legislative day. If a member suggests the absence of a quorum at any time during the remainder of the legislative day, the President must confirm that each member intending to vote under Rule 40.7 intends to continue voting under Rule 40.7. At any time the President announces the presence of a quorum, the President shall announce the names of members intending to vote under Rule 40.7.

Senator Gazelka moved the adoption of the foregoing resolution. The motion prevailed. So the resolution was adopted.

Without objection, remaining on the Order of Business of Motions and Resolutions, the Senate reverted to the Orders of Business of Messages From the House and First Reading of House Bills.
