

STATEMENT OF NEED AND REASONABLENESS
FOR PROPOSED RULE AMENDING 4 MCAR § 8.079

The Board of Barber Examiners has proposed certain amendments to 4 MCAR § 8.079, which sets the fees charged by the Board. The proposed rule increases the fees for a registered barber license and an apprentice license by \$2.00 each. The proposed rule also charges a \$10.00 fee for change of ownership or location and a \$5.00 fee for a duplicate license. Other changes in the proposed rule are merely for form or grammar.

Each of the increases in fees is necessary because of the increased costs for issuing those licenses. The costs for printing the renewal licenses for barbers and apprentices has increased. The increased demand for duplicate licenses and the increased frequency of change of ownership or location justified those new fees.

The authority for this proposed rule amending the fees charged by the Board of Barber Examiners is found at Minn. Stat. §§ 214.06, subd. 1 (1980); 15.0412, subd. 4 (1980) and Supp. (1981); 16A.128 (1980) and Supp. (1981).
