IN THE MATTER OF THE DEPARTMENT
OF PUBLIC WELFARE'S REPEAL OF
12 MCAR 2.021 (DPW RULE 21)
GOVERNING ADMINISTRATION OF
STATE GRANTS FOR A COMMUNITY
MENTAL HEALTH PILOT PROGRAM

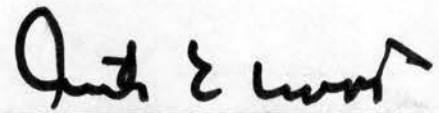

STATEMENT OF NEED AND
REASONABLENESS

The need for this rule has been eliminated because of amendments to the Community Social Services Act, Laws of 1981, Chapter 256E.06, subd., 2. These amendments require the Commissioner of Public Welfare to terminate the making of separate categorical grants for community mental health pilot programs, effective December 31, 1982. Beginning January 1, 1983, funds appropriated for Rule 21 will be included in the individual county block grants for the provision of all community social services.

Rule 21 will be repealed on March 1, 1983, or five (5) working days after publication of the final notice in the State Register, whichever comes later.

Beginning January 1, 1983, funds appropriated for Rule 22 will be included in the individual county block grants for the provision of all community social services.

of Public Welfare Repeal of
Rule 12 MCAR 2.030 Reimbursement
for the Cost of Care of Mentally
Retarded or Epileptic or Emotionally
Handicapped Children

STATEMENT OF NEED AND
REASONABLENESS

The need for this rule has been eliminated because of Minnesota Statute 256E.06, Subd. 2 that requires cost of care appropriation to be folded into CSSA monies effective January, 1983. The purpose of 12 MCAR 2.030 is to govern the use of state monies in reimbursing counties for expenditures in residential and foster care for the mentally retarded or epileptic or emotionally handicapped children. Because of the fold in, all reimbursements will end by January, 1983, and consequently, the rule will have no value.

Rule 12 MCAR 2.030 will be repealed five (5) working days after publication of the final notice in the State Register.
