A Proclamation of Minnesota Dairy Month

WHEREAS, milk is nature's most nearly perfect food and of recognized and vital importance to our national health and well-being; and,

WHEREAS, the care, the preservation and the improvement of the great American Dairy Industry, with its annual sales more than twice the mill value of all steel production and its 20 million people who are wholly dependent on the dairy and allied industries for their livelihood, are of transcendent interest to all Americans as a matter of practical living; and,

WHEREAS, the State of Minnesota is one of the leading states in the production of milk and dairy products; and

WHEREAS, the American Dairy Industry each year reaches, during the month of June, its peak of production, both in volume and in quality, and, as a consequence the American Dairy Industry has not only the month of June as a period in which the health and life-giving values of milk and dairy products may best be indicated to the American public, as well as to illustrate the wonderful enjoyment that humans experience in the consumption of milk and dairy foods; now

I, WINSTON, I, LUTHER W. YERGEN, Governor of the State of Minnesota, in full appreciation of the opportunities herein presented for constructive public service, do hereby proclaim the period of June, 1937, as

"DAIRY MONTH FOR MINNESOTA"

and do urge that the month be fittingly observed, in private and in public, in order to increase appreciation and consumption of milk and dairy products and to improve our standard of health, our enjoyment of delicious dairy foods, and our financial well-being.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol in St. Paul this third day of June in the year of our Lord one thousand nine hundred forty-seven and of the State the sixtieth.
