citizens of the United States will always remember the courageous and valiant deeds of the United States Marines in all of the wars of this country and especially their brave attacks on enemy held territory during World War II, beginning with their attack on Guadalcanal on August 7, 1942, and

the ratio for a large lot traditionally set aside for the "first" best lot, and

Further, the Minnesota Department of the United States Legion will on that day carry on the raising of National Marine Day for the raising of funds to provide aid and service to the Disabled Marines. These aid and service are monetary financial assistance alone and include services of assisting records, gaining recognition, and aiding rehabilitation of Marine veterans.

Do hereby certify that the within and foregoing is a true and correct copy of the original as the same appears in the records of the State of Minnesota.
