

Certificate of Due Organization of Ramsey Soil  
Conservation District

To All To Whom These Presents Shall Come, Greeting:

WILLIAMS, William E. Pearson of Ogilvie, Minnesota, and  
Almer James of Mora, Minnesota, the duly appointed supervisors of  
the Ramsey Soil Conservation District, acting pursuant to the  
Minnesota Soil Conservation Districts Law, Laws of Minnesota for  
1937, Chapter 441, approved April 26, 1937, and Laws of Minnesota  
1943, Chapter 274, approved April 2, 1943, have filed in this  
office an application subscribed and sworn to by each of them be-  
fore an officer authorized by law to take and certify oaths setting  
forth: (1) That a petition for the creation of the district was  
filed with the State Soil Conservation Districts Law, and the pro-  
ceedings specified in said Act were taken pursuant to such  
petition, that said application was filed in order to complete the  
organization of the district as a governmental subdivision and  
public body, corporate and politic, and that the State Committee  
has appointed them as supervisors; (2) The name and official  
residence of the district supervisors, together with a certified  
copy of the appointments evidencing their oath to office;  
(3) Their term of office; (4) The name which is proposed for  
the district; and (5) The location and principal office of the  
Supervisors of the District; and

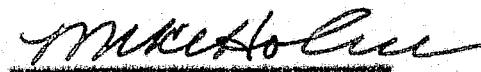

whereas, a statement by the State Conservation Committee  
accompanying the above-mentioned application, has been filed in  
this office, setting forth that a petition for the creation of  
the Ramsey Soil Conservation District was filed with the State  
Soil Conservation Committee; that after due notice, a hearing was  
held, and the committee duly determined that there is need, in the  
interest of public health, safety and welfare, for a soil con-  
servation district to function in the proposed territory, and that  
the Committee defined the boundaries thereof; that then, after due  
notice, a referendum was held on the question of said district, and  
the results of said referendum showed a majority of the votes cast  
to be in favor of the creation of said district; and that thereafter  
the Committee duly determined that the operation of the proposed  
district is administratively practicable and feasible, said  
referendum also set forth the boundaries of the district as defined  
by the State Committee.

Now, therefore, I, Mike Hahn, Secretary of State of the  
State of Minnesota, by virtue of the authority vested in me by law,  
do hereby find, after examination of the application and statement  
referred to above, that the name proposed for said district is not  
identical with that of any other soil conservation district of the  
state or so nearly similar as to lead to confusion or uncertainty;  
and

11221

I, Mike Helm, Secretary of State, do therefore, hereby certify that the Washoe Soil Conservation District has been duly organized and constitutes a governmental subdivision of this State and a public body, corporate and politic, vested with all of the powers conferred upon such districts by law.

In Testimony Whereof, I have hereunto set my hand and affixed the Great Seal of the State of Minnesota, at the Capitol, in Saint Paul, this twenty-first day of September, A. D. one thousand nine hundred and fifty.
