Honourable Mike Holm, Secretary of State
Saint Paul, Minnesota

Dear Mr. Holm:

The undersigned herewith begs to inform you that he has petitioned Her Majesty Queen Juliana of the Netherlands to grant him honorary discharge as Consul of the Netherlands for the State of Minnesota, to take effect November 1, 1950.

For your information, I was appointed by Queen Wilhelmina as Vice Consul of the Netherlands in 1926 and in 1938 the Vice Consulate and the Vice Consul were elevated to a full Consulate and Consul.

For a short time, and until my successor has been appointed, the Netherlands consular affairs will be handled by the Netherlands Consulate General in Chicago.

Thanking Your Honour for all courtesies received from your office during the several years of my service,

Yours sincerely,

L. C. Wiltens
Consul.
