Dear Sir:

Enclosed with this letter is a certified copy of the Minutes of the regular Village Council meeting of May 1, 1951, granting my petition to separate the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 4, Township 42, Range 25, Mille Lacs County, from the Village of Isle.

This particular piece of property has not been connected to the Village limits of Isle for several years due to the fact that adjoining property had been removed from Isle several years ago breaking all connecting links.

Because our Village Council meets on the first Tuesday of each month, which in this case fell on May 1st, it was not possible to take this action before May 1st. However, all members were satisfied that I should be taxed under the Isle Harbor rates for the year 1951.

Yours very truly,

A. W. Froehlich
