

TO WHOM IT MAY CONCERN:

You are hereby notified that the undersigned is about to apply for the survey of a small island, which is located in a small navigable lake, which lake applicant believes is in sections ten (10), eleven (11), fourteen (14) and fifteen (15), in township fifty-nine (59) north, of range twenty-one (21) west, 4th P. M. in St. Louis County, Minnesota, which island is from twenty (20) to thirty (30) feet above high water mark, and contains many large trees, showing conclusively that it existed long before the original survey of said township was made for the United States government, and is not new and never has been swamp land. This notice is given as required by law.
