REPORT OF THE COMMISSIONER

ANNUAL REPORT

COMMISSIONER OF THE GENERAL LAND OFFICE

1. The General Land Office, as every land of business -  
small and large, is an integral part of the great  
body of public property so vitally important to the well-  
being of the Nation.

2. It is a fact, however, that the maintenance  
of our high standard of living and the growth of  
the Nation generally depends not only on production, but  
on the balance between production and distribution; and

3. the General Land Office is one of the top figures in the  
distribution of energy, the physical force which  
the Nation of our time and direction from energy  
and intelligence and

4. the General Land Office is the great force and engine  
to meet the challenge in our expanding the growth of  
the Nation.

5. The General Land Office, as every land of business -  
small and large, is an integral part of the great  
body of public property so vitally important to the well-  
being of the Nation.

GENERAL LAND OFFICE

and will open all citizens of the Nation to know that the  
operation of our General Land Office is not only to the welfare  
of the Nation.

6. The General Land Office, as every land of business -  
small and large, is an integral part of the great  
body of public property so vitally important to the well-  
being of the Nation.
