Mr. Julius A. Schmahl,  
Secy. of State,  
St. Paul, Minn.

Dear Sir:-

Complying to the specifications for enamel automobile license tags, we herewith propose to furnish 50,000 pair of Class A, 300 pair of Class B, 5 pair of Class C, and 3000 pair of Class D, of our vitreous porcelain enamel automobile tags, made on 20 gauge metal on plates 14" X 5", for 28½cts., per pair.

Duplicate tags in lots of 1000 or more 28½cts., per pair.

Duplicate tags in lots of from 100 to 1000 at 45cts., per pair.

All of the above to be f.o.b. St. Paul.

On duplicate tags for less than 100 at 45cts., per pair, f.o.b. our factory.

On the same number of tags as above to be made on 26 gauge metal with raised numerals and stamped edge at 27cts., per pair.

Duplicates in lots of 1000 or more at 27cts., per pair.

Less than 1000 lots 45cts., per pair, f.o.b. St. Paul.

In lots less than 100 at 45cts., per pair, f.o.b. our factory.

We respectfully call your attention to the enamel finish on these tags and wish to say that same is made of the best material obtainable, fused into the metal with 2000 degrees of heat, thereby making a tag that is practically indestructible and one that we guarantee for ten years, not to fade or tarnish from the effects of the weather.

Mr. Julius A. Schmahl,

#2  
July 6/14.

These plates can be made in any combination of two colors desired. Samples which we are submitting herewith are made with a green back ground with yellow figures and green back ground with white figures.

The envelopes in which these samples are being sent are not exactly made according to your specifications but we wish to say that in making this proposal to you that we agree to conform in every detail to specifications as printed.

We herewith enclose our certified check of \$750.00.

We trust that we will receive your honorable consideration and hope to be favored with your valued order.

Yours very truly,

The Burdick Enamel Sign Co.
