and will urge all children to join in the 1957 Red Cross campaign to be conducted in the registration counties of this State; and 2. Further urge that all children of the State recognize that this great humanitarian movement is a national one and that the participation of all children in every State and Nation is vital to the success of this movement of world humanitarianity; and that it is the duty of every child to join in this movement.

In various matters, I have been
 much concerned and caused the General
 Council of the State of Mississippi
 to be called at the State Capital
 this morning, with a view of discussing
 in the presence of our Lord our
 most important and difficult
 and of the State, the
