The total assessed valuation of the property described in this petition is  
approximately Four Million Nine Hundred Forty-two Thousand Two Hundred Sixty-  
four and 00/100 (\$4,942,264.00) Dollars.

The said platted areas are largely used for residential purposes. Much  
of the unplatted area is divided into miscellaneous descriptions and has  
been so conveyed and is being largely used for residential purposes. The  
said area is adjacent to the adjoining villages of Roseville, Little Canada  
and North St. Paul, and the City of St. Paul. The said platted area is  
largely developed as a suburban area to the City of Saint Paul. The portion  
of the area not now devoted to residential use is constantly being platted,  
divided and used for residential purposes. The entire area is so used and  
developed as to be properly subjected to village government.

A census of the resident population of the said area was accurately taken  
commencing December 16, 1956 and ending December 21, 1956 and the number of  
actual residents is 14,252. Attached hereto and marked Exhibit "B" and made  
a part hereof is a list prepared from the data submitted by the persons who  
took the census and said list shows the location of all residential buildings  
in the area by street address and the number of persons resident in each  
such building. The proposed name of said village is Maplewood.
