Dear Sir:

Document on Incorporation of Village of
Mounds View in Ramsey County.

A part of subject document was a petition for an election to determine the incorporation of the Village of Mounds View; the petition being based upon a census of the total population of the area involved. It appears that, through an error in tabulation by the census takers, the resident population of the area was given as 5,738 persons, whereas the actual number of residents is 5,726.

We are forwarding herewith an affidavit of the persons who signed the petition amending paragraph 7 thereof to give the actual number of residents. We trust this will correct the situation to the satisfaction of your office.

Yours very truly,

EUGENE A. MONICK, County Auditor
