

STATE OF MINNESOTA

EXECUTIVE DEPARTMENT

#13843

A PROCLAMATION FOR CANNED FOODS MONTH, 1958

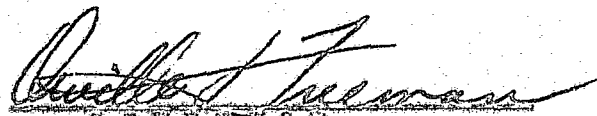

- WHEREAS, the year-round availability of high-quality, nutritious canned foods has played a substantial part in making the United States the best-fed nation in history and in banishing the spectre of hunger from our land by eliminating dependence upon the fickle or fickle caprices of nature; and
- WHEREAS, the State of Minnesota plays an important role in growing and processing the canned foods which help provide the people of our own State and of distant parts of the nation with the dietary and health benefits which stem from scientific agriculture and modern processing methods; and
- WHEREAS, the canning and associated industries of our own State and our sister-states throughout the nation have this year combined their resources to give concerted emphasis, in September, to the unparalleled output of canned products which our nation makes available to every family in the land, at prices within the reach of all; and
- WHEREAS, in recognition of the benefits thus provided to our population by the agricultural, processing and allied industries involved in canning, and by the agencies of transportation, marketing and distribution which bring the bounty of our fields, streams, and offshore fishing areas within the ready reach of homes throughout our nation;

NOW, THEREFORE, I, Orville L. Freeman, Governor of the State of Minnesota, do hereby proclaim the month of September, 1958 as

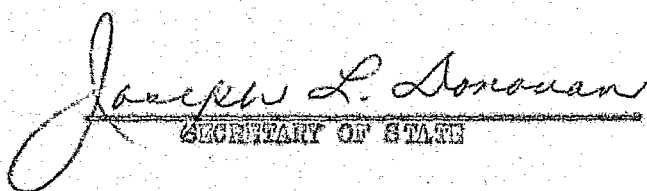

CANNED FOODS MONTH, 1958

and urge the citizens of this State to acquaint themselves with the facilities existing in Minnesota for the canning of fruits, vegetables, and sources of other products, and the low-cost, high-quality products those facilities provide.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this twenty-first day of August in the year of our Lord one thousand nine hundred and fifty-eight and of the state, the one hundred first.

GOVERNOR
