CITY CLERK.

The charter of the City of Lake Crystal, adopted on August 27th, 1912, is hereby amended by striking out all of the provisions thereof and substituting therefore the following:

## Charter of the City of Lake Crystal, Minnesota

### CHAPTER 1.

#### NAME, BOUNDARIES, POWERS AND GENERAL PROVISIONS

Sec. 1.1 NAME AND BOUNDARIES. The City of Lake Crystal, in the County of Blue Earth and State of Minnesota, shall, upon taking effect of this charter, continue to be a municipal corporation under the name and style of the "CITY OF LAKE CRYSTAL, MINNESOTA", with the same boundaries as now are or hereafter may be established.

Sec. 1.2 POWERS. The city shall have all powers which it may now or hereafter be possible for a municipal corporation in this state to exercise in harmony with the constitutions of this state and the United States. It is the intention of this charter that every power which the people of the City of Lake Crystal might lawfully confer upon themselves, as a municipal corporation, by specific enumeration in this charter shall be deemed to have been so conferred by the provisions of this section. This charter shall be construed liberally in favor of the city, and the specific mention of particular powers in this charter shall not be construed as limiting in any way the generality of the power herein sought to be conferred.

Sec. 1.3 CHARTER A PUBLIC ACT. This charter shall be a public act and need not be pleaded or proved in any case. It shall take effect thirty days from and after its adoption by the voters.

### CHAPTER 2.

#### FORM OF GOVERNMENT

Sec. 2.1 FORM OF GOVERNMENT. The form of government established by this charter is the "MAYOR-COUNCIL PLAN". The council shall exercise the legislative power of the city and determine all matters of policy, subject to the initiative, referendum and recall powers of the people.

Sec. 2.2 ELECTIVE OFFICERS. The elective officers shall be a Mayor, two Justices of the Peace, and four councilmen, all of whom shall be qualified voters, and shall be elected at large. Each councilman shall serve for a term of four years and until his successor is elected and is qualified, except that, at the first election held after the adoption of this charter, the two candidates for councilman receiving the largest number of votes shall serve from April 14th, 1959, until December 31st, 1963, and the two candidates for councilman receiving the next largest number of votes shall serve from April 14th, 1959, until December 31st, 1961. The mayor and the justices of the peace shall serve for a term of two years and until their successors are elected and have qualified, except that, at the first election held after the adoption of this charter, the mayor and the justices of the peace shall serve from April 14th, 1959, until December 31st, 1961.

Sec. 2.3 INCOMPATIBLE OFFICES. No mayor or member of the council may hold municipal office or employment under the city until one year after the expiration of his term as mayor or councilman.

Sec. 2.4 VACANCIES. A vacancy in the office of mayor, councilman, or justice of the peace shall be deemed to exist in case of the failure of any person elected thereto to qualify within thirty days from and after his election, or on or before the date of the second regular meeting of the new council, or by reason of death, resignation, removal from office, removal from the city, continuous absence from the city for more than six months, or conviction of a felony of

ordinance. The aye and nay vote on ordinances, resolutions and motions shall be recorded unless the vote is unanimous. An affirmative vote of a majority of all members of the council shall be required for the passage of all ordinances and resolutions except as otherwise provided in this charter.

Sec. 3.5 PROCEDURE OF ORDINANCES. The enacting clause of all ordinances shall be in the words, "The City of Lake Crystal does ordain". Every ordinance shall be presented in writing and read in full at a regular meeting. No ordinance, except an emergency ordinance, shall be passed at the meeting at which it is introduced. At least twenty-eight days shall elapse between introduction and final passage of all ordinances other than emergency ordinances.

Sec. 3.6 EMERGENCY ORDINANCES. An emergency ordinance is an ordinance necessary for the immediate preservation of public peace, health, morals, safety or welfare in which the emergency is defined and declared in a preamble thereto, and is adopted by a vote of at least four members of the council. No prosecution shall be based upon the provisions of any emergency ordinance until twenty-four hours after the ordinance has been filed with the city clerk and posted in three conspicuous places or until the ordinance has been published, unless the person charged with the violation had actual notice of the passage of the ordinance prior to the act or omission of which he is charged.

Sec. 3.7 PROCEDURE ON RESOLUTIONS. Every resolution shall be presented in writing and read in full before a vote is taken thereon, unless the reading of a resolution is dispensed with by unanimous consent.

Sec. 3.8 SIGNING AND PUBLICATION OF ORDINANCES AND RESOLUTIONS. Every ordinance or resolution passed by the city council shall be signed by the mayor, attested by the city clerk and filed and preserved by him. Every ordinance shall be published once in the official newspaper. To the extent and in the manner provided by law, an ordinance may incorporate, by reference a statute of Minnesota, a state administrative rule or regulation, a code, or ordinance or part thereof without publishing the material referred to in full.

Sec. 3.9 WHEN ORDINANCES AND RESOLUTIONS TAKE EFFECT. A resolution and an emergency ordinance shall take effect immediately upon its passage or at such later date as is fixed in it. Every other ordinance, except as provided in Section 5.9, shall take effect ten days after publication or at such later date as is fixed therein. Every ordinance and resolution adopted by the voters of the city shall take effect immediately upon its adoption, or at such later date as is fixed therein.

Sec. 3.10 AMENDMENT AND REPEAL OF ORDINANCES AND RESOLUTIONS. Every ordinance or resolution repealing a previous ordinance or resolution or section or subdivision thereof, shall give the number, if any, and the title of the ordinance or resolution to be repealed in whole or in part. No ordinance or resolution or section or subdivision thereof shall be amended by reference to the title alone, but such amending ordinance or resolution shall set forth in full each section or subdivision to be amended and shall indicate new matter by underscoring and old matter to be omitted by enclosing it in parenthesis. In newspaper publication, or posted notices, the same indications of omitted or new matter shall be used, except that italics or bold-faced type may be substituted for underscoring and omitted matter may be printed in capital letters within parenthesis.

Sec. 3.11 REVISION AND CODIFICATION OF ORDINANCES. The city may revise, rearrange and codify its ordinances with such additions and deletions as may be deemed necessary by the council. Such ordinance code shall be published in book, pamphlet or continuously revised loose-leaf form and copies shall be made available by the council at the office of the city clerk for general distribution to the public free of charge or at a reasonable charge. Distribution in such published form shall be sufficient notice of any ordinance provision not previously published or posted if a notice that copies of the codification are available at the office of the city clerk is published in the official newspaper for at least two successive weeks.

### CHAPTER 4.

#### NOMINATIONS AND ELECTIONS

Sec. 4.1 REGULAR MUNICIPAL ELECTIONS. The first regular municipal election under this amended charter shall be held on April 7th, 1959, and a regular municipal election shall be held thereafter on the first Tuesday after the first Monday in November of each odd-numbered year commencing in 1961, at such place or places as the city council may designate. At least fourteen days previous notice shall be given by the city clerk of the time and place of holding such election, and of the officers to be elected, by posting a notice thereof in at least three public places in said city, and by publishing a notice thereof at least once in the official newspaper, but failure to give such notice shall not invalidate such election.

Sec. 4.2 SPECIAL ELECTION. The council may by resolution order a special election, fix the time of holding the same, and provide all means for holding such special election. The procedure at such election shall conform to that herein provided for other muni-

and resolutions, except an ordinance appropriating money or authorizing the levy of taxes, to require such an ordinance passed by the council to be referred to the electorate for approval or disapproval, and to recall elected public officials. These powers shall be called the Initiative, the Referendum, and the Recall, respectively.

Sec. 5.2 FURTHER REGULATIONS. The council may, as soon as possible after the organization of the city government under this charter, provide by ordinance such further regulations for the initiative, referendum and recall, not inconsistent with this charter, as may be deemed necessary. Such ordinance may include the relevant provisions of this charter.

**INITIATIVE**

Sec. 5.3 INITIATION OF MEASURES. Any five electors may form themselves into a committee for the initiation of any measure of public concern, except as provided in Section 5.1. Before circulating any petition, they shall file a verified copy thereof with the city clerk, together with their names and addresses as members of such committee. They shall also attach a verified copy of the proposed measure to each of the signature papers herein described, together with their names and addresses as sponsors therefor.

Sec. 5.4 FORM OF PETITION AND OF SIGNATURE PAPERS. The petition for the adoption of any measure shall consist of the measure, together with all signature papers and affidavits thereto attached. Such petition shall not be complete unless signed by a number of voters equal to ten per-cent (10%) of the total number of votes cast for all candidates for mayor at the last preceding general municipal election, but in any case, no less than fifty voters. All the signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

**INITIATIVE PETITION**

Proposing an ordinance to (stating the purpose of the ordinance), a copy of which ordinance is hereto attached. This ordinance is sponsored by the following:

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

The undersigned electors, understanding the terms and nature of the measure hereto attached, petition the council for its adoption, or, in lieu thereof, for its submission to the electors of this city for their approval.

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

At the end of the list of signatures shall be appended the affidavit of the circulator mentioned above.

Sec. 5.5 FILING OF PETITION AND ACTION THEREON. All the signature papers shall be filed in the office of the city clerk as one instrument. Within five days after the filing of the petition, the city clerk shall ascertain by examination the number of electors whose signatures are appended thereto, and whether this number is as provided for in Section 5.4 above. If he finds the petition insufficient or irregular, he shall, by mail, at once notify one or more of the committee of sponsors of that fact, certifying the reasons for his finding. The committee shall be given thirty days in which to file additional signature papers, and to correct the petition in all other particulars. If, at the end of that period, the petition is found to be insufficient or irregular, the clerk shall file the same in his office and shall notify each member of the committee of that fact. The final finding of the insufficiency or irregularity of a petition shall not prejudice the filing of a new petition for the same purpose, nor shall it prevent the council from referring the measure to the electors at the next regular or special election.

Sec. 5.6 ACTION OF COUNCIL ON PETITION. Whenever the petition shall be found to be sufficient, the city clerk shall so certify to the council at its next meeting, stating the number of petitioners, and the percentage of the total number of voters which they constitute, and the council shall at once read the measure and refer it to an appropriate committee, which may be a committee of the whole. The committee or council shall thereupon provide for public hearings upon the measure, after the holding of which the measure shall be finally acted upon by the council not later than sixty-five days after the date upon which such measures were submitted to the council by the city clerk. If the council shall fail to pass the proposed measure, or shall pass it in a form different from that set forth in the petition and unsatisfactory to the petitioners, the proposed measure shall be submitted to the electors at the next regular municipal election; but, if the number of signers of the petition is equal to at least fifteen percent (15%) of the total number of votes cast for all

**RECALL**

Sec. 5.12 THE RECALL. Any five electors may form themselves into a committee for the purpose of bringing about the recall of any elected officer of the city. The committee shall certify to the city clerk the name of the officer whose removal is sought, stating the grounds for removal in not more than two hundred fifty words and their intention to bring about his recall. A copy of this certificate shall be attached to each signature paper and no signature paper shall be put into circulation previous to such certification.

Sec. 5.13 RECALL PETITION. The recall petition for any official shall consist of a certificate identical with that filed with the city clerk together with all the signature papers and affidavits thereto attached. All the signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is the genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

**RECALL PETITION**

proposing the recall of ..... from his office as ....., which recall is sought for the reason set forth in the attached certificate. This movement is sponsored by the following committee of electors:

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

The undersigned electors, understanding the nature of the charges against the officer herein sought to be recalled, desire the holding of a recall election for that purpose:

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

At the end of the list of signatures shall be appended the affidavit of the circulator mentioned above.

Sec. 5.14 FILING OF PETITION. Within thirty days after the filing of the original certificate, the committee shall file the completed petition in the office of the city clerk. The city clerk shall examine the same within the next five days and if he finds it irregular in any way, or finds that the number of voters is less than twenty-five percent (25%) of the total number of votes cast for all candidates for mayor at the last preceding general municipal election, but in no case, less than one hundred voters, he shall, by mail, notify one or more members of the committee. The committee shall then be given ten days in which to file additional signature papers and to correct the petition in all other respects, but they may not change the statement of the grounds upon which the recall is sought. If, at the end of that time, the city clerk finds the petition insufficient, or irregular, he shall notify all the members of the committee to that effect and shall file the petition in his office. No further action shall be taken thereon.

Sec. 5.15 RECALL PETITION. If the petition or amended petition be found sufficient, the city clerk shall transmit it to the council without delay, and shall officially, by mail, notify the person sought to be recalled of the sufficiency of the petition, and of the pending action. The council shall at its next meeting, by resolution, provide for the holding of a special recall election not less than thirty nor more than forty-five days thereafter, provided that if any other municipal election is to occur within sixty days after such meeting, the council may in its discretion provide for the holding of the recall election at that time.

Sec. 5.16 PROCEDURE AT RECALL ELECTION. In the published call for the election, whether posted on bulletin boards or printed in the official paper, there shall be given the statement of the grounds for the recall, and also, in not more than five hundred words, the answer of the officer concerned in justification of his course of conduct in office. Candidates to succeed the officer to be recalled shall be nominated in the usual way, and the election shall be conducted as far as possible, in accordance with the usual procedures in municipal elections.

Sec. 5.17 FORM OF RECALL BALLOT. Unless the officer whose removal is sought shall have resigned within ten days after the receipt by the council of the completed recall petition, the form of the ballot at such election shall be as near as may be: "Shall 'A' be recalled?" The name of the officer whose recall is sought being inserted in place of 'A', and the electors shall be permitted to vote separately "yes" or "no" upon this question. The ballot shall also contain the names of the candidates to be voted upon to fill the vacancy, in case the recall is successful, under the caption: "Candidates to fill place of 'A', if recalled". The officer whose recall is sought shall not himself be a candidate upon such ballot. In case a majority of those voting for and against the recall of any officer shall vote in favor of recalling such official, the official shall thereupon be removed from office and in that event the candidate who

oil by the city clerk. If the council shall fail to pass the proposed measure, or shall pass it in a form different from that set forth in the petition and unsatisfactory to the petitioners, the proposed measure shall be submitted to the electors at the next regular municipal election; but, if the number of signers of the petition is equal to at least fifteen percent (15%) of the total number of votes cast for all candidates for mayor in the last preceding general municipal election, and if the next regular municipal election is to occur more than three months from the date of submission of the petition to the council, the council shall call a special election upon the measure to be held not less than thirty days nor more than forty-five days from the date of submission of the petition to the council. Otherwise, the council shall submit the measure at the next regular election. In case the council passed the proposed measure with amendments and if at least four-fifths of the committee of petitioners fail to express their dissatisfaction with such measure in amended form by a certificate filed with the city clerk within ten days from the passage thereof by the council, then the measure need not be submitted to the electors.

**Sec. 5.7 INITIATIVE BALLOTS.** The ballots used when voting upon any such proposed measure shall state the substance thereof, and shall give the voter the opportunity to vote either "for the measure" or "against the measure". If a majority of the electors voting on any such measure shall vote in favor thereof, it shall thereupon become an ordinance or resolution of the city, as the case may be. Any number of proposed measures may be voted upon at the same election, but in case there shall be more than one, the voter shall be allowed to vote for or against each separately.

**Sec. 5.8 INITIATION OF CHARTER AMENDMENTS.** Nothing in this charter contained shall be construed as in any way affecting the right of the electors under the constitution and the statutes of Minnesota to propose amendments to this charter.

**REFERENDUM**

**Sec. 5.9 THE REFERENDUM.** If, prior to the date when an ordinance or resolution takes effect, a petition signed by qualified electors of the city, equal in number to ten percent (10%) of the total number of votes cast for all candidates for mayor at the last preceding general municipal election, but in any case, no less than fifty voters, is filed with the city clerk requesting that any such measure, or any part thereof, be repealed or be submitted to a vote of the electors, the said measure shall thereby be prevented from going into operation. The council shall thereupon reconsider the said measure at its next regular meeting, and either repeal the same, or repeal the sections thereof to which objection has been raised by the petitioners, or by aye or nay vote reaffirm its adherence to the measure as passed. In the latter case, the council shall immediately order a special election to be held thereon or submit the measure at the next regular municipal election, pending which the ordinance or resolution shall remain suspended. If a majority of voters voting thereon are opposed to the measure, it shall not become effective; but, if a majority of the voters voting thereon favor the measure, it shall go into effect immediately or on the date therein specified.

**Sec. 5.10 REFERENDUM PETITIONS.** The requirements laid down in Sections 5.3 and 5.4 as to the formation of committees for the initiation of measures and as to the form of petitions and signature papers shall apply to the referendum as far as possible, but with such verbal changes as may be necessary. A referendum petition shall read as follows:

**REFERENDUM PETITION**

proposing the repeal of an ordinance, resolution, or any part thereof, as the case may be, stating the purpose of the measure, a copy of which ordinance, or resolution is hereto attached. The proposed repeal is sponsored by the following committee of electors:

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

The undersigned petitioners understanding the nature of the measure hereto attached, and believing it to be detrimental to the welfare of the city, petition the council for its submission to a vote of the electors for their approval or disapproval:

Name	Address
.....	.....
.....	.....
.....	.....
.....	.....

**Sec. 5.11 REFERENDUM BALLOTS.** The ballots used in any referendum election shall conform to the rules laid down in Section 5.7 of this charter for initiative ballots.

vacancy, in case the recall is successful, under the caption: "Candidates to fill place of 'A', if recalled". The officer whose recall is sought shall not himself be a candidate upon such ballot. In case a majority of those voting for and against the recall of any officer shall vote in favor of recalling such official, the official shall thereby be removed from office, and in that event, the candidate who receives the highest number of votes for his place shall be elected thereto for the remainder of the unexpired term. If the officer sought to be recalled shall have resigned within ten days after the receipt of the council of the completed recall petition, the form of ballot at the election shall be the same, as nearly as may be, as the form in use at the regular municipal election.

**CHAPTER 6.**

**ADMINISTRATION OF CITY AFFAIRS**

**Sec. 6.1 COUNCIL ADMINISTRATION.** The entire management and administration of the city affairs, including all executive and administrative powers, authority, and duties, except such executive authority as may by this charter be vested in the mayor of the city, and except such authority as may be by this charter vested in the Public Utilities Commission, shall be vested in the City Council.

**Sec. 6.2 DEPARTMENT ADMINISTRATION.** The council may create such departments, divisions and bureaus for administration of the city's affairs as may seem necessary and from time to time alter the powers and organization of the same. It may, in conjunction with the city mayor, prepare a complete administrative code for the city, and enact the same in the form of an ordinance, which may be amended from time to time by ordinance.

**Sec. 6.3 PURCHASES AND CONTRACTS.** All the purchases on behalf of the city shall be made, and all contracts let, by the city council. All such contracts, bonds, and instruments of every kind to which the city shall be a party shall be signed by the mayor and countersigned by the city clerk on behalf of the city, and shall be executed in the name of the city.

**Sec. 6.4 CONTRACTS.** In all cases of work to be done by contract, or of the purchase of property of any kind, when the amount involved is more than One Thousand dollars, unless the council by an emergency resolution shall provide otherwise, the council shall advertise for bids in the official paper of the city. Contracts shall be let to the lowest reliable and responsible bidder, provided however, the council may reject any and all bids. Nothing contained in this section shall prevent the council from contracting by a four-fifths (4/5) vote for doing of work with patented processes, or from purchasing patented appliances by the same majority. The council by ordinance may further regulate the making of bids and the letting of contracts.

**CHAPTER 7.**

**TAXATION AND FINANCE**

**Sec. 7.1 COUNCIL TO CONTROL FINANCES.** The council shall have full authority over the financial affairs of the city and shall provide for the collection of all revenues and other assets, the auditing and settlement of accounts, and the safekeeping and disbursements of public moneys, and in the exercise of a sound discretion shall make appropriations for payment of all liabilities and expenses.

**Sec. 7.2 FISCAL YEAR.** The fiscal year of the City of Lake Crystal shall be the calendar year.

**Sec. 7.3 SYSTEM OF TAXATION.** The council shall have full power to provide by ordinance for a system of local taxation.

**Sec. 7.4 BOARD OF EQUALIZATION.** The council shall constitute a board of equalization and shall meet as such in the usual place of holding council meetings to equalize the assessments of property for taxation purposes according to law.

**Sec. 7.5 PREPARATION OF THE ANNUAL BUDGET.** The city clerk shall prepare the estimates for the annual budget and submit it to the council for approval. The budget shall be by funds and shall include all funds of the city except the funds made up of proceeds of bond issues, utility funds, and special assessment funds, and may include any such funds at the discretion of the council. The estimates of expenditures shall be arranged for each department or division of the city under the following heads: (1) ordinary expenses (for operation, maintenance, and repairs); and, (2) payment of principal and interest; and, (3) capital outlays (for new construction, new equipment, and all improvements of a lasting character). Ordinary expenses will be subdivided into (a) salaries and wages with a list of all salaried officers, salaries, and the number of persons holding each; (b) other expenses with sufficient detail to be readily understood. All increases and decreases shall be clearly shown. In parallel columns shall be added the amounts granted and the amounts expended under similar heads for the past two completed fiscal years, as far as possible, for the current year. In addition to the esti-

#13946

mates of expenditures, the estimate shall include for each budgeted fund a statement of the revenues which have accrued for the past two completed fiscal years, with the amounts collected and the uncollected balances, together with the same information, as far as possible, for the current fiscal year, and an estimate of the revenues for the ensuing fiscal year. The statement of revenues for each year shall specify the following items: sums derived from (a) taxation, (b) fees, (c) fines, (d) interest, (e) miscellaneous, not included in the foregoing, (f) sales and rentals, (g) sums received from the Public Utilities Commission, (h) special assessments, and (i) sales of bonds and other obligations. Such estimates shall be printed or typewritten, and there shall be at least twelve copies, one for each of the councilmen, one for the city clerk, and one for the city mayor, and one copy will be submitted to the council at its first regular meeting in August of each year.

**Sec. 7.6 PASSAGE OF THE BUDGET.** The budget shall be the principal item of business at the first regular meeting of the council in August of each year, and the council shall hold adjourned meetings from time to time until all estimates have been considered. The meeting shall be so conducted as to give interested citizens a reasonable amount of time in which to be heard, and an opportunity to ask such questions as may be pertinent to them. The budget estimates shall be read in full, and the city clerk shall explain the various items thereof as fully as may be deemed necessary by the council. The annual budget finally agreed upon shall set forth in detail the complete financial project of the city for the ensuing fiscal year. It shall indicate the sums to be raised and from what sources, and the sums to be spent and for what purposes, according to the plan indicated. The total sum appropriated shall be less than the total estimated revenue by a safe margin. The council shall adopt the budget by resolution not later than the first regular meeting of October in each year.

**Sec. 7.7 ENFORCEMENT OF BUDGET.** It shall be the duty of the city clerk to enforce strictly the provisions of the budget. He shall not approve any order upon the city for any expenditure unless an appropriation has been made in the budget, nor for an expenditure covered by the budget resolution unless there is a sufficient unexpended balance left after deducting the total past expenditures and the sums of all outstanding orders and encumbrances. No officer or employee of the city shall place any orders or make any purchase except for the purpose and to the amounts authorized in the budget resolution.

**Sec. 7.8 ALTERATIONS IN THE BUDGET.** After the budget resolution shall have been duly adopted, the council shall have no power to increase the amounts therein fixed whether by the insertion of new items, or otherwise, beyond the estimated revenues, unless the actual receipts shall exceed such estimates, and in that event, beyond such actual receipts. The sums fixed in the budget shall be and become appropriated at the beginning of the fiscal year for the several purposes named therein, and no other. The council may, at any time, by a resolution passed by a four-fifths (4/5) vote, reduce the sums appropriated for any other purpose, or authorize the transfer of sums from unencumbered balances in the budget to other purposes.

**Sec. 7.9 LEVY AND COLLECTION OF TAXES.** On or before the regular meeting of October of each year, the council shall levy by resolution the taxes necessary to meet the requirements of the budget for the ensuing fiscal year. The city clerk shall transmit to the county auditor annually, not later than the tenth of October, a statement of all taxes levied, and such taxes shall be collected and the payment thereof enforced with, and in like manner as state and county taxes. No tax shall be invalid by reason of any informality in the manner of levying the same, nor because the amount levied exceeds the amount required to be raised for the special purposes for which the same is levied, but in that case, the surplus shall go into the fund to which such tax belongs.

**Sec. 7.10 DISBURSEMENTS.** All disbursements shall be made only upon the order of the mayor and city clerk duly authorized by a motion of the council, and every such order shall specify the purpose for which the disbursement is made, and indicate that it is to be paid out of the proper fund. No check shall be issued until there is money to the credit of the fund from which it is to be paid sufficient to pay it together with all outstanding incumbrances upon the fund. No contract requiring the payment of money by the city shall be valid unless the particular fund, out of which the same is paid, is specified in such contract. No claim against the city shall be allowed unless accompanied by an itemized statement and voucher sworn to, payroll or time sheet signed by the responsible officer who has personal knowledge of the facts in the case and vouches for the correctness and reasonableness of the claim. The council may, by ordinance, make further regulations for the safe keeping and disbursement of the city fund.

**Sec. 7.11 FUNDS.** There shall be maintained in the city treasury the following funds for the support of which the council may levy taxes:

(a) A general fund for the support of such other funds and for the payment of such expenses of the city as the council may deem

**Sec. 7.15 TAX ANTICIPATION CERTIFICATES.** At any time after January 1st, following the making of an annual tax levy, the council may issue certificates of indebtedness in anticipation of the collection of taxes levied for any fund and not yet collected. The total amount of certificates issued against any fund for any year with interest thereon until maturity shall not exceed ninety percent (90%) of the total current taxes of the fund uncollected at the time of issuance plus the cash on hand in the fund. Such certificates shall be issued on such terms and conditions as the council may determine and shall bear interest at a rate not to exceed six percent (6%) per annum, but they shall become due and payable not later than the first day of April of the year following their issuance. The proceeds of the tax levied for the fund against which tax anticipation certificates are issued and the full faith and credit of the city shall be irrevocably pledged for the redemption of the certificates in the order of their issuance against the fund.

**Sec. 7.16 EMERGENCY DEBT CERTIFICATES.** If in any year the receipts from taxes or other sources should from some unforeseen cause become insufficient for the ordinary expenses of the city, or if any calamity or other public emergency should subject the city to the necessity of making extraordinary expenditures, then the council may by ordinance authorize the sale by the city and sell emergency debt certificates to run not to exceed two years and bear interest at a rate not to exceed six percent (6%) per annum. A tax sufficient to redeem all such certificates at maturity shall be levied as required by law. The ordinance authorizing an issue of such emergency debt certificates shall take the form of an ordinance approved by a vote of four-fifths of the members of the council. The ordinance may be passed as an emergency ordinance.

## CHAPTER 8.

### PUBLIC IMPROVEMENTS AND SPECIAL ASSESSMENTS

**Sec. 8.1 POWER TO MAKE IMPROVEMENTS AND LEVY ASSESSMENTS.** The city of Lake Crystal shall have the power to make any and every type of public improvement not forbidden by the laws of this state, and to levy special assessments for all or any part of the cost of such improvements as are of local character. The amounts assessed to benefited property to pay for local improvements may equal the cost of the improvement with interest until paid, but shall in no case exceed the value of the benefits received by such property.

The council may, by a four-fifths (4/5) vote of all its members, order that the cost and expense of all or any part of any local improvement in this chapter mentioned, to be paid out of the appropriate fund, or general fund, of the city without assessment on the property benefited.

**Sec. 8.2 ASSESSMENTS FOR SERVICES.** The council may by ordinance provide that the cost of sprinkling, of snow removal, rubbish removal, or of any other service to streets, sidewalks, alleys, or other public property, or the cost of any services to other property undertaken by the city may be assessed against the property benefited and collected as are special assessments.

**Sec. 8.3 LOCAL IMPROVEMENT PROCEDURE.** After this charter takes effect, local improvements, commenced prior thereto, shall be completed and assessments may be levied and securities issued for the financing thereof as prescribed by the law, or charter provision, applicable thereto.

The council may adopt a comprehensive ordinance prescribing the procedure which shall be followed thereafter in making all local improvements and levying assessments therefor. In the absence of such ordinance, all local improvements may be made and assessments levied therefor as prescribed by statute.

**Sec. 8.4 PUBLIC WORKS.** Public works, including all local improvements, may be constructed, extended, repaired and maintained either directly or by day labor or by contract. The city shall require contractors to give bonds for the protection of the city and all persons furnishing labor and materials pursuant to the laws of the state.

**Sec. 9.1 POWER TO ACQUIRE PROPERTY.** The City of Lake Crystal is hereby empowered to acquire, by purchase, gift, devise, or condemnation, any property, corporeal, or incorporeal, either within or without its corporate boundaries, which may be needed by said city for any public use or purpose. In addition to the power to acquire property for other public purposes, the city may also acquire, as herein provided, any gas, water, heat, power, light, telephone, or other plant or other public utility; but no proceeding to acquire any such public utility shall be consummated unless the city has the money in its treasury to pay for the same or has by vote of the people made provision for paying for the property proposed to be so acquired. (b) A bond fund, into which shall be paid, and from which disbursed, the proceeds of all bonds issued by the city, except bonds issued on account of any local improvement to be financed wholly or partly by special assessments and bonds issued on account of any municipally owned utility. A special separate bond account shall be kept for each issue of such bonds.

There shall be paid out of this fund: All expenses and costs of the improvement projects financed through this fund; the redemption of all public improvement revolving fund obligations with interest and any inter-fund loans; and abatement of assessments and refund of receipts in error.

In order to anticipate the collection of special assessments and the municipal share of the cost of a local improvement, the council may, by a majority vote, issue and sell obligations pledging the full faith and credit of the city, or pledging only special assessments, in such amounts and maturities as it may determine; but, the aggregate amount of such obligations outstanding at any time shall not exceed the sum of the following: uncollected assessments levied, cost of work in progress to be financed in whole or in part by special assessments, and the cash reserve for working capital as previously determined by ordinance.

When a local improvement, to be financed wholly or in part by special assessments, is undertaken under any applicable statute, any provision of this subdivision inconsistent with statute shall not apply.

(d) There may be maintained in the city treasury, such other funds as may be required by statute or by resolution of the council.

The council shall have full power, by ordinance or resolution, to make inter-fund loans except from trust or agency funds. The council is further authorized to appropriate funds to increase the amount of money in any fund.

Sec. 7.12 RECEIPTS. All receipts of money belonging to the city, or any branch thereof, and also all money received upon tax settlements from the county treasurer, shall be deposited as soon as received, or at the close of the business day, in the bank or banks as designated as depository by the city council. Such depository shall give sufficient bond to be approved by the city council.

Sec. 7.13 ACCOUNTS AND REPORTS. The city clerk shall be the chief accounting officer of the city and of every branch thereof, and the council may prescribe and enforce proper accounting methods, forms, blanks, and other devices consistent with the law, this charter, and the ordinances in accord with it. He shall submit to the council a statement each month showing the amount of money in the custody of the city; the status of all funds, the amount spent or chargeable against each of the annual budget allowances and the balances left in each, and such other information relative to the finances of the city as the council may require. No obligations shall be issued and sold without the approval of the electors, except in the cases of issue and sale of obligations which are authorized by this charter or by state law without such approval by the electors.

Sec. 9.1 UTILITIES. Wires, pipes, and conduits for water, gas, heat, and power may be acquired by gift, devise, purchase, or condemnation in the manner provided by law.

Sec. 9.2 PROCEEDING IN TAKING PROPERTY. The necessity for the taking of any property by the city shall be determined by the council and shall be declared by a resolution which shall describe such property as nearly as may be, and state the use to which it is to be devoted. In acquiring property by exercising the power of eminent domain, the city shall proceed according to the laws of this state, except as otherwise provided in this chapter.

Sec. 9.3 PAYMENT OF AWARD. Whenever an award of damages shall be confirmed in any proceeding for the taking of property under this chapter, or whenever the court shall render final judgment in any appeal from such award, and the time for abandoning such proceedings by the city shall have expired, the city shall, within sixty days of such final determination, pay the amount of the award or judgment of the court as the case may be; and, if not so paid, judgment therefor may be had against the city.

Sec. 9.4 CITY MAY ABANDON PROCEEDINGS. The city may, by resolution of the council at any stage of the condemnation proceedings, and at any time within thirty days after final determination thereof, abandon such proceedings as to all or any parcel of the property sought to be acquired and shall pay all reasonable costs and expenses thereof, including fees of counsel.

Sec. 9.5 CITY MAY TAKE ENTIRE PLANT. In case the city shall condemn a public utility which is operated at the time of the commencement of the condemnation proceedings as one property or one system, it shall not be necessary in such condemnation proceedings, or any of the proceedings of the council, to describe or treat separately, the different kinds of property comprising such system, but all the property, lands, articles, franchises, and rights which comprise such system, may, unless otherwise ordered by the court, be treated together as constituting one property and an award for the whole property in one lump may be made by the commissioners on condemnation or other body assessing the damages on condemnation. This shall not prevent the city, in cases where the plant and property is separable into distinct parts, from acquiring only such part or parts thereof as may be necessary in the public interest.

## CHAPTER 10. FRANCHISES

Sec. 10.1 FRANCHISES REQUIRED. Except as otherwise provided by law, no person, firm, or corporation shall place or maintain any permanent or semi-permanent fixtures in, over, upon, or under any street or public place for the purpose of operating a public utility or for any other purpose, without a franchise therefor from the city. A franchise shall be granted only by ordinance, which shall not be an emergency ordinance. Every ordinance granting a franchise shall contain all the terms and conditions of the franchise. The grantee shall bear the costs of publication of the franchise ordinance and shall make a sufficient deposit with the clerk to guarantee publication before the ordinance is passed.

Notice of such hearing shall be published at least once in the official newspaper not less than ten days prior to the date of the hearing.

Sec. 10.4 POWER OF REGULATION RESERVED. Subject to any applicable law, the council may by ordinance regulate and control the exercise of any franchise, including the maximum rates, fares, or prices to be charged by the grantee. Sec. 10.5 LIABILITY OF GRANTEE. The franchise grantee shall indemnify and save the city harmless from any and all claims for personal injury or damage to property occasioned by, or arising out of, the conduct in the city of the grantee's business under the franchise.

Sec. 10.6 RENEWALS OR EXTENSIONS. Every extension, renewal, or modification of any existing franchise or of any franchise granted hereafter shall be subject to the same limitations and shall be granted in the same manner as a new franchise.
