

A PROCLAMATION FOR "GOOD POSTURE WEEK"

WHEREAS, the development of good posture is one of the most beneficial habits that we can help our children to acquire; and

WHEREAS, because a sound and alert American youth is vital at all times, the Minnesota Chiropractic Association, sponsor of Correct Posture Week, is focusing its attention on impressing parents, educators, and adult leaders of youth groups with the benefits which are derived from correct posture; and

WHEREAS, studies have shown that many lasting deformities, with attendant poor health can be traced to poor posture in childhood. Children, and grown-ups too, should be taught to stand, walk, and sit correctly; and

WHEREAS, good posture will lead to well-formed adult bodies and help to prevent many unnecessary ills.

NOW, THEREFORE, I, Charles L. Freeman, Governor of the State of Minnesota, do hereby proclaim the week of May 3 through May 9th, 1959, as

"GOOD POSTURE WEEK"

and urge the people of the State of Minnesota to take note of this program and ask their cooperation in publicizing the benefits of good posture to everyone.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this twenty-fourth day of April in the year of our Lord one thousand nine hundred and fifty-nine and of the state, the one hundred first.

Charles L. Freeman  
GOVERNOR
