Dear Sir:

GEM LAKE

The southeasterly corner of subject village is bounded in the description so that the limits extend southerly along the westerly right-of-way line of the Northern Pacific Railway which extends southerly from the City of White Bear Lake to the City of St. Paul to where that westerly right-of-way line meets the south line of Lot 10, Auditor's Subdivision No. 84; thence west along said south line of Lot 10 and its extension to the centerline of State Trunk Highway #61; thence northerly along the centerline of said highway to the centerline of County Road E; thence west along the said centerline of County Road E, etc.

After the filing of the incorporation document, it was discovered that a portion of City View Garden Lots annexed to the Village of Vadnais Heights by ordinance #17 on March 17, 1959, extended easterly of the centerline of Trunk Highway #61 and had therefore inadvertently been included in the petition for incorporation of Gem Lake. The portion of City View Garden Lots lying easterly of the centerline of Trunk Highway #61 is all of Lot 1 except a small triangular portion in the northwest corner and a portion of Lot 2 said Addition easterly of a line run approximately from the southwest corner of Lot 2 to the northeast corner of Lot 2. A triangular portion of Lot 1 in the southeast corner consisting of approximately 1/3 of the area of the lot lies easterly of the right-of-way of Trunk Highway #61.

This confliction of territory was referred to the County Attorney for an opinion as to its effect upon the incorporation of Gem Lake. The reply of Mr. Thomas M. Quayle, Assistant County Attorney, which we believe is self-explanatory, follows in toto:

"Your letter to the County Attorney dated July 10, 1959, relating to the incorporation of the Village of Gem Lake has been referred to the undersigned for consideration and reply.

"I have considered the facts as stated in your letter, and I

#14174

-2-

have also studied the case of State ex rel. Northern Pump vs. Village of Fridley, 233 Minn. 442, as cited in your letter, and I have examined the Statutes relating to the incorporation of villages applicable to this proceeding. With reference to this situation you ask the following questions:

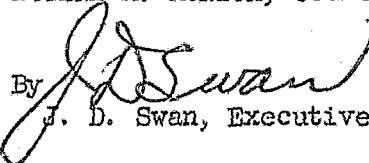

1. Is the incorporation of Gem Lake valid excepting therefrom any portion of City View Garden Lots?
2. If the answer to question No. 1 is affirmative:
  - (a) Is any formal action necessary to set off the conflicting portion of City View Garden Lots from Gem Lake?
  - (b) If the answer to (2) (a) is affirmative, please advise what action should be taken and by whom.

"In reply, you are advised that this office is of the opinion that question No. 1 is answered in the affirmative, and that the incorporation of the Village of Gem Lake is valid as against the objection that it contains land previously incorporated into the Village of Vadnais Heights. This situation is clearly within the scope of the doctrine announced in the above cited case. Also, this case answers the question 2. (a), by holding that no formal action is necessary to set off the conflicting portion because its inclusion in the Gem Lake proceedings was void from the beginning. Therefore, you are advised to proceed in your administrative duties as though the overlapping area had never been included in the Petition or the proceedings for the incorporation of Gem Lake, and to consider this area as a part of the Village of Vadnais Heights."

We respectfully request that you take notice of the effect this situation has on the boundary of Gem Lake and exclude any portion of the City View Garden Lots plat from said Village.

Yours very truly,

EUGENE A. MONICK, County Auditor
