October 23rd 1915.

To the Honorable Secretary of State of Minnesota,

Dear Sir:- Please take notice that there is an Island in Fish Trap Lake in Section 32 Township 132 N. Range 31 W. of the Principal Meridian State of Minnesota that I am going to petition the Commissioner of the General Land Office Washington D.C. to have surveyed. That said Island has never been surveyed by the United States Government. That I am desirous that the same should be surveyed in order that it may be disposed of according to the laws of Congress and the Regulations of the General Land Office relative to the disposal of lands embraced in fragmentary surveys.
