

CERTIFICATE OF DUE ORGANIZATION OF  
NICOLLET SOIL CONSERVATION DISTRICT

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, Lyle Weldy, of Fairfax, Minnesota, and Harry Timm, of Mankato, Minnesota, the duly appointed supervisors of the Nicollet Soil Conservation District, acting pursuant to the Minnesota Soil Conservation Districts Law, (Minnesota Statutes 1949, Chapter 40 and all acts amendatory thereof or supplementary thereto) have filed in this office an application subscribed and sworn to by each of them before an officer authorized by law to take and certify oaths, setting forth: (1) That a petition for the creation of the district was filed with the State Soil Conservation Committee, pursuant to the provisions of the State Soil Conservation Districts Law, and the proceedings specified in said Act were taken pursuant to such petition, that said application was filed in order to complete the organization of the district as a governmental subdivision and public body, corporate and politic, and that the State Committee has appointed them as supervisors; (2) The name and official residence of the district supervisors, together with a certified copy of the appointments evidencing their right to office; (3) Their term of office; (4) The name which is proposed for the district; and (5) The location and principal office of the supervisors of the district; and

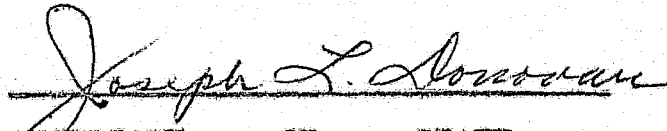

Whereas, a statement by the State Conservation Committee, accompanying the above mentioned application has been filed in this office, setting forth that a petition for the creation of the Nicollet Soil Conservation District was filed with the State Soil Conservation Committee, that, after due notice a hearing was held, and the committee duly determined that there is need, in the interest of public health, safety and welfare, for a soil conservation district to function in the proposed territory, and that the Committee defined the boundaries thereof; that then, after due notice, a referendum was held on the question of the creation of said district, and the results of said referendum showed a majority of the votes cast to be in favor of the creation of said district; and that thereafter the Committee duly determined that the operation of the proposed district is administratively practicable and feasible. Said referendum also set forth the boundaries of the district as defined by the State Committee.

Now, Therefore, I, JOSEPH L. DONOVAN, Secretary of State of the State of Minnesota, by virtue of the authority vested in me by law, do hereby find, after examination of the application and statement referred to above, that the name proposed for said district is not identical with that of any other soil conservation district of the state or so nearly similar as to lead to confusion or uncertainty; and

I, JOSEPH L. DONOVAN, Secretary of State, do therefore, hereby certify that the NICOLLET SOIL CONSERVATION DISTRICT has been duly organized and constitutes a governmental subdivision of this state and a public body, corporate and politic, vested with all of the powers conferred upon such districts by law.

In Testimony Whereof, I hereunto set my hand and affix the Great Seal of the State of Minnesota, at the Capitol, in Saint Paul, this twenty-fifth day of May, A. D. one thousand nine hundred and sixty-one.

  
SECRETARY OF STATE.

APPLICATION FOR CERTIFICATE OF ORGANIZATION OF

STATE SOIL CONSERVATION COMMITTEE OF MINNESOTA  
OFFICE OF THE STATE SOIL CONSERVATION COMMITTEE  
St. Paul, Minnesota

IN THE MATTER OF THE ORGANIZATION )	Statement by the
OF THE NICOLLET SOIL )	State Soil Con-
CONSERVATION DISTRICT )	servations Committee

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

Be it known that on the 27th day of February, 1961, a petition for the organization of the Nicollet Soil Conservation District, signed by more than twenty-five land occupiers was duly filed in the office of the State Soil Conservation Committee;

That on the 17th day of March, at Lafayette and Nicollet, Minnesota, a public hearing was held after due notice of the said hearing had been given as required by law;

That on the 27th day of March, 1961, the State Soil Conservation Committee did duly determine that there is need in the interest of the public health, safety and welfare, for a soil conservation district to function in the proposed territory and did define the boundaries thereof;

That thereafter due notice was given of a referendum to be held within the territory so defined by the Committee on the question of the creation of the said district;

That the said referendum was held within the defined boundaries on the 17th day of April, 1961;

That the result of the referendum showed that a majority of the votes cast in the said referendum were in favor of the creation of the said district;

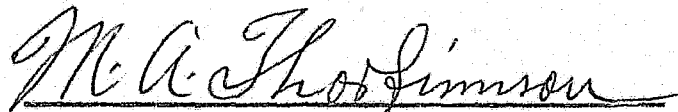

That thereafter on the 24th day of April, 1961, the State Soil Conservation Committee did duly determine that the operation of the said district is administratively practicable and feasible;

That the boundaries of the said district were defined by the State Soil Conservation Committee as follows:

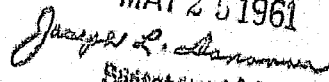

All of the County of Nicollet, Minnesota.

There shall be exempted from the area bounded by the above described boundaries all lands used exclusively for religious, school or burial purposes; all parts and parcels of lands in cities, towns and villages which lands are used principally for residential purposes or for business purposes other than farming; all lands in rural or urban areas of three acres or less; and all lands of five acres or less which are used exclusively for woodlot purposes.

IN WITNESS WHEREOF, the State Soil Conservation Committee has caused these presents to be executed by its secretary under the seal of the committee, this 25th day of May, 1961.

Dear Sir:

I am writing to you regarding the application for a permit to install a water conservation device on your property. The application was received on [date] and is being processed as a matter of priority.

The proposed device is a [type of device] which will help to conserve water and reduce your water bills. It is a simple device that can be installed on any type of faucet or shower head.

The device will save water by reducing the amount of water that is wasted when the faucet is turned on or the shower is running. It will also help to reduce the amount of water that is used for watering plants and lawns.

The device is made of brass and is available in a variety of colors to match your faucet or shower head. It is also available in a variety of sizes to fit different types of faucets and shower heads.

The device is easy to install and does not require any special tools or skills. It can be installed in a few minutes and will last for many years.

If you have any questions about the device or the application process, please contact me at [phone number] or [email address].

Sincerely,  
[Name]

Very truly yours,
