Dear Sir:

Pursuant to Minnesota Statutes Annotated 340.323 and on behalf of the Village Clerk of the Village of Brownsdale, Minnesota, we enclose herewith a certificate as to the results of the local option election in the Village concerning the sale of liquor.

Through inadvertence on our part before and after the election, we neglected to call this section of the law requiring that the results of the election be certified to the Secretary of State within 10 days after the election. It was an oversight. I can assure you that there was no intent on the part of the Village Clerk not to comply with this section, nor was there any intent on our part not to have the Village officials comply with this section of the law. I might also add that since the election and as of to date no licenses for the sale of liquor have been granted in the Village of Brownsdale. The Village, however, does intend to establish a Municipal liquor dispensary for the off-sale of liquor within the next few weeks.

Very truly yours,

BAUDLER & BAUDLER
