A PROCLAMATION FOR "NURSING STUDENT WEEK"

WHEREAS, it is fitting that we gain a better understanding of the role played by our student nurses in all phases of community life; and

WHEREAS, the contribution to the health and well-being of our citizens made by the student nurse extends far above and beyond the purview of our hospitals; and

WHEREAS, nursing as a vocation offers many avenues of service as well as useful lifetime training in whatever capacity they may be called upon to serve; and

WHEREAS, there is a pressing need for greater numbers of trained nursing personnel, a need which will continue to grow as medical services expand to meet the requirements of our increasing population and scientific and medical advances;

NOW, THEREFORE, I, Elmer L. Andersen, Governor of the State of Minnesota, do hereby proclaim the week of October 8 - 15, 1962 as

"NURSING STUDENT WEEK"

in Minnesota and urge all citizens to honor and encourage those young people who have elected a career in the nursing field and recognize their outstanding contribution to our standard of living and in service to the citizens of our state.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this eighteenth day of April in the year of our Lord one thousand nine hundred and sixty-two, and of the State the one hundred fourth.

  
GOVERNOR
