RECEIVED
CITY CLERKS OFFICE

DEC 17 4 24 PM 1955

To the Honorable Mayor and Common Council
of the City of Rochester

ROCHESTER, MINN.

The Charter Commission of the City of Rochester having reviewed Ordinance No. 1328 heretofore submitted by the Common Council of the City of Rochester to this Charter Commission for review pursuant to Minnesota Statutes 410.27 hereby suggests and proposes that the following proposed amendment to the Charter of the City of Rochester be substituted for said ordinance and presented to the voters of the City of Rochester in the manner provided by statute:

AMENDMENT

of the CHARTER of the

CITY OF ROCHESTER

Rochester, Minnesota

The Charter of the City of Rochester, adopted pursuant to Minnesota Constitution, Article 4, Section 36, and Minnesota Laws, 1903, Chapter 238, and ratified August 22, 1904, as amended, be further amended as follows:

That Section 3 thereof be repealed in its entirety and the following substituted therefor:

"SECTION 3. The City shall be divided into six (6) wards, called the First, Second, Third, Fourth, Fifth and Sixth Wards.

"Each ward shall be composed of compact, contiguous territory and shall contain as nearly as practicable an equal population. Wherever possible ward boundary lines shall follow the center lines of streets, avenues, alleys and boulevards and shall run due east and west and north and south.

"Population shall be determined from the official certified United States decennial census or from any other intermediate or special official certified census which determines the population of the City of Rochester by usable census tracts.

"Within six (6) months after the official certified United States decennial census is filed in the office of the Secretary of State of the State of Minnesota and within six (6) months after the official certified copy of any intermediate or special population census by usable census tracts is filed in the office of the said Secretary of State, or, if not to be so filed, is officially and publicly announced, the Common Council of the City of Rochester shall redetermine the boundaries of the various wards of the City in accordance with the population determined in such census and in accordance with the standards set forth above. Such redetermined ward boundaries shall be established by ordinance duly adopted by a majority of all members of the Common Council but such ordinance shall not be subject to veto by the Mayor.

"If the Common Council shall fail to adopt an ordinance redetermining ward boundaries within the six (6) months period prescribed, said boundaries shall be redetermined and established within three (3) months thereafter by written order of the Ward Boundary Commission which shall consist of the Mayor, the Alderman at Large and the President of the Charter Commission of the City of Rochester. The Mayor shall act as Chairman and the President of the Charter Commission of the City as Secretary of the Ward Boundary Commission. Any two members of the Ward Boundary Commission may adopt the order redetermining

and establishing ward boundaries. Before making its order redetermining and establishing ward boundaries, the Ward Boundary Commission shall hold at least one public hearing to which the Common Council shall be invited and at which interested residents of the City may express their views on the subject. The order of the Ward Boundary Commission shall be published in the same manner provided for ordinances.

"The ordinance adopted by the Common Council or the order of the Ward Boundary Commission redetermining and establishing ward boundaries shall be effective upon completion of publication.

"Areas subsequently annexed to the City shall become a part of the adjoining ward. The determination of the City Clerk as to the proper assignment of subsequently annexed areas to the appropriate ward shall be conclusive.

"No redetermination of ward boundaries shall apply to any City elections if the establishment of the redetermined boundaries goes into effect after the first date for filing for any such election. An assignment of a subsequently annexed area to a ward shall not be considered a redetermination of ward boundaries.

"All officers of the City whose appointment or election is required by the provisions of this Charter may serve out the term for which they are appointed or elected notwithstanding redetermination of ward boundaries.

"This amendment shall be effective upon adoption and the Common Council shall redetermine and establish ward boundaries in the manner prescribed above but within six (6) months after the effective date of this amendment and, upon its failure to do so, the Ward Boundary Commission shall do so in the manner prescribed above within three (3) months thereafter."

The foregoing proposed amendment to the Charter of the City of Rochester is hereby proposed to the people of said City by the Charter Commission thereof, pursuant to Minnesota Constitution, Article XI, Section 4, and Minnesota Statutes, Section 410.12, and is hereby delivered to the Clerk of said City in order that it may be submitted to the voters in accordance with the provisions of said Constitution and Statutes.

IN WITNESS WHEREOF, We have hereunto set our hands this 16 day of December, A.D., nineteen hundred and sixty-five.
