PROCLAMATION

- WHEREAS, the purpose of Cleaner Air Week is to promote a united educational program for cleaner air and to help build a better, stronger America, and
- WHEREAS, air pollution is a serious community problem brought about through industrial expansion and increasing population, and since industry and population give every indication of continuing to increase at an impressive rate, air pollution promises to become a greater hazard to the health and welfare of the people of our State, as well as a source of grave economic waste, and
- WHEREAS, the hazard of air pollution can be greatly diminished through intelligent action involving engineering, equipment, research and education, and
- WHEREAS, with some of the mechanical means already available, combined with the enlightened attitude of industry, air pollution control is forging ahead, but these measures must be continued and further measures instituted to win the race against air pollution, and
- WHEREAS, for these reasons the abatement of air pollution in all its various forms is of utmost concern to every American citizen,

NOW, THEREFORE, I, Harold Lavander, Governor of the State of Minnesota, do hereby proclaim the week of October 22, 1967, as

"CLEANER AIR WEEK"

in Minnesota, and urge that all citizens cooperate fully in the observance of this week, and direct the appropriate agencies of State Government to assist in arousing public awareness of the need for active participation in this fight for public welfare.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed this sixth day of September in the year of our Lord one thousand nine hundred and sixty-seven, and of the State, the one hundred tenth.
