

To the Secretary of State

I, Mrs. Richard Olson, clerk of the village of Odin, do hereby certify that at a special (the regular) election held in the village on November 5, 1968, the following question was submitted to the voters of the village:

"Shall Optional Plan A, modifying the standard plan of village government by providing for the appointment by the council of the clerk and treasurer be adopted for the government of the village?"

I further certify that the affirmative votes cast on the foregoing proposition were 48 and the negative votes were 41 and there were 6 blank votes and the question of adoption of Optional Plan A received an affirmative majority of the votes cast on the question.

November 19, 1968

Mrs Richard Olson

Village Clerk
Odin, Minn. 56160

As I understand it the Village will have to adopt this plan A by 1970. Would the above be considered a majority when there were 6 blank votes. Please advise.
