Dear Sir:-

The enclosed Notice refers to an Unsurveyed Island in Burntside Lake, St. Louis County, Minnesota, lying very close to Lot 4 of sec. 21, and Lot 4 of Sec. 22, Twp. 63 North, Range 13 West, a large island containing 103.50 acres, owned by Alice Hall Gregory, wife of James C. Gregory, the applicant for the survey.

The island, which has already been scripped, has a solid rock, foundation of from 4 to 9 feet above high water mark, with a few Jack Pine and Spruce trees on it, and has not been formed by accretion or lowering of the lake, and has been in existence, according to all signs of nature, ever since this country was created by the great laws of the universe.

Mrs. Gregory desires to obtain title to this little dot of an island as a matter of protection.

very respectfully yours,

O. T. Wick
