The Commission, having duly considered the testimony of the witnesses; the exhibits received in evidence and upon all the files and records herein, and being fully advised in the premises, makes and enters the following:

FINDINGS OF FACT

I.

That due, timely and adequate notice of the hearing herein was properly posted, published, served and mailed.

II.

That a majority of the land owners of the land to be annexed executed the petition for annexation.

III.

That the area to be annexed is unplatted and is primarily agricultural land; that there is one farm residence located in the

area to be annexed; that the area to be annexed abuts the City of Willmar and is not included in any other municipality.

IV.

That the population of the City of Willmar as of the year 1960 was 10,480, and that the present population of the City of Willmar is approximately 12,000 and the population of the area to be annexed is 2.

VII.

That the assessed valuation of the City of Willmar in 1969 is \$6,765,638.00, and of the area to be annexed, \$5,391.00.

VIII.

That the real estate taxes in the area to be annexed can reasonably be expected to increase but the increase will be proportional to the expected benefit inuring to the annexed territory as the result of the annexation.

IX.

That the City of Willmar has a modern, well equipped police department of adequate size that will be able to serve the area to be annexed, while the Town of Willmar does not have a police department and the area to be annexed now receives its police protection from the Kandiyohi County Sheriff's office.

X.

That the City of Willmar has a modern, well equipped fire department which will be able to serve the area to be annexed. That said area is presently protected by the fire department of the City of Willmar on the basis of a contract between the City of Willmar and the Town of Willmar.

XI.

That the City of Willmar has adopted a zoning ordinance, and has adopted comprehensive plans for the development of the area surrounding the City of Willmar, which includes the area to be annexed herein.

XII.

That the Town of Willmar provides no governmental service for sanitary sewer or water in the area to be annexed, and said township offered no evidence to indicate that it is planning said services in the future for said area.

XIII.

That the area of the City of Willmar is much larger than the area of the territory to be annexed.

XIV.

That the City of Willmar has expanded with respect to population and construction and will continue to do so, and space is needed to accommodate that expansion.

XV.

That the township form of government is inadequate to cope with the problems of urban and suburban growth in the area to be annexed.

XVI.

That the annexation herein ordered will not materially affect the ability of the Township of Willmar to function as a governmental

unit.

## XVII

That the area to be annexed is suited for residential dwellings and a mobile trailer court.
