C O N T R A C T S.

DEFINITIONS.

Section 130. All contracts for commodities or service to be furnished or performed for the city or any department thereof, involving an expenditure of more than one hundred dollars shall be made as in this chapter provided, and not otherwise.

The words "commodities" and "service" as used in this chapter, shall be construed to include all work, labor, materials, supplies or other property and all lighting and other service, and all local or public improvements.

The word "contract", as used in this chapter, shall be construed to include every agreement, in writing or otherwise, executed or executory, by which any commodities, work or service are to be furnished to or done for the city, and every transaction whereby an expenditure is made or incurred on the part of the city or any department or officer thereof.

All action in this chapter required or authorized to be taken by the council shall be by resolution or ordinance.

ESTIMATE, AMOUNT OF CONTRACT.

Sec. 131. The council, in the first instance shall, on its own motion, or may, on the recommendation or report of any department or officer of the city, determine in a general way the commodities, work or service to be done or furnished, and shall fix the estimated cost thereof, and in order to determine such estimated costs may require estimates from any officer or employee of the city.

In case such estimated cost, as determined by the council, shall not exceed the sum of one hundred dollars, the council may direct that the commodities, work or service be procured by or through the proper department or officer of the city without public bids.

In all cases where such estimated cost shall exceed the sum of one hundred dollars, said commodities, or service shall only be furnished or done upon public bids or procured in open market.

PLANS AND SPECIFICATIONS.

Sec. 132. Before advertising for bids the council shall cause to be prepared by the proper department, or officer of the city and filed with the clerk, detailed plans and specifications and the proposed contract for commodities and service.

ADVERTISING.

Sec. 133. After filing the same the council shall direct the clerk to advertise for bids for doing or furnishing said commodities or service in accordance with such contract, plans or specifications. Such advertisement shall be published in the columns of the official papers, and in such other papers and at such other times, and in such ^{other} manner as the council may direct.

All advertisements for bids shall clearly state that such bids are to be received and opened at a public meeting of the council, in the council chambers, upon a certain day and hour.

CERTIFIED CHECKS.

Sec. 134. In advertising for any bids the council shall require any bidder to deliver his bid and a certified check upon some reputable bank in this state, payable to the city of Fergus Falls, for at least ten per cent. of the total amount of such bids, which check and the amount thereof shall be forfeited to the City of Fergus Falls, as liquidated damages, if the bidder, upon the letting of the contract to him, shall fail to enter into the contract so let. All advertisements for bids shall reserve the right to reject any and all bids.

RECEIVING AND OPENING BIDS.

Sec. 135. At the time and place mentioned in the advertisement for bids, the council shall meet in public session and publicly receive, open and read all bids that may be presented. The council shall give all persons, who desire the same, an opportunity to inspect all bids when they are opened. No bids shall not be considered when not accompanied by a certified check.

ACTION BY COUNCIL.

Sec. 136. The council shall act upon such bids and determine which one shall be accepted. All contracts shall be awarded to the lowest reliable and responsible bidder complying with the foregoing requirements, provided, that the council may reject any bids which it may deem unreasonable or unreliable, and the council in determining the reliability of a bid shall consider the question of the responsibility of the bidder and his ability to perform his contract, without any reference to the responsibilities of the sureties upon his bond, and any person who shall have defaulted in any contract awarded by the city, except, as to time, or who shall have refused to enter into a contract after the same shall have been awarded to him, shall not be considered a reliable and responsible bidder. In case the lowest responsible bid shall be more than the estimated cost of such commodities or service, the council may reject all bids and abandon the proposed contract, or it may require the clerk to re-advertise for new bids in the manner hereinbefore provided.

All contracts shall be executed by the bidder within five days after the contract is ready for his signature, and if not executed by him in said time, he shall be deemed to have abandoned the same.

PERFORMANCE OF CONTRACTS.

Sec. 137. After the acceptance by the council of any bids, it shall direct the execution of a contract by the proper officer, in accordance therewith and also in accordance with the said plans, specifications and proposed contract, and such contract shall be carried out by the proper department or officer of the city, as in this charter provided.

In case the council shall determine that any commodities or service are to be procured in open market, the same shall be procured or done by the proper department or officer in accordance with such general directions as the council may give.

BOND.

Sec. 138. Every person to whom a contract is awarded for an amount exceeding two hundred dollars shall give bond, in such sum as the council may direct, and with such sureties as the mayor may approve, for the faithful performance of such contract.

In the case of all other contracts, the council may require a bond and, in all cases of contracts coming within the purview of chapter 354, of the General Laws of 1895, of the State of Minnesota, and the amendments thereto, it shall require such bond as is required by such laws.

CONTRACTS NOT TO BE ASSIGNED.

Sec. 141. No contract for which a bond or deposit is required as provided in this chapter shall be assigned or transferred in any manner and any assignment or transfer thereof, except by operation of law, and except by consent of council expressed by resolution, shall, fully end and determine such contract and shall make the same null and void as to any other or further performance thereof by the contractor or his assigns, without any act on the part of the city; and the city, through its proper authorities, may at once proceed to re-let such contract, or may, at its discretion, proceed to complete the same as the agent and at the expense of such contractor and his sureties.

AFFIDAVITS THAT CLAIMS ARE PAID.

Sec. 142. Before any contractor or his personal representatives shall receive any estimates on any contracts for which a bond or deposit is required, as provided for in this chapter, said contractor or his representatives shall make and file with the clerk an affidavit that all claims for all work and labor to date, on the work for which an estimate is asked, has been fully paid.

Any officer of the city violating any provision of this chapter shall thereby forfeit his office, in addition to all other penalties prescribed therefor, and such office may be declared to be vacant by proper proceedings in the courts of the state or by action of the council, as provided for in this chapter.

CHAPTER XII.

EMINENT DOMAIN AND LOCAL IMPROVEMENTS.

PART I.

Eminent Domain

POWER TO ACQUIRE PROPERTY.

Section 150. The city of Fergus Falls is hereby empowered to acquire, by purchase, condemnation proceedings or otherwise, any property, corporeal or incorporeal, wheresoever situated, either within or without the limits of the city, which may be needed by the city or any board or department thereof, for any public purpose whatever.

And the fact that the property so needed has been obtained by the owner under eminent domain or is already devoted to a public use, ~~will~~ ^{shall} not prevent its acquisition by the city.

Where nothing is specified to the contrary, the city, in any acquisition of property, shall be deemed to have acquired the fee title and absolute ownership of such property, except in cases of streets and alleys.

The city of Fergus Falls is hereby empowered, except as hereinafter specified, to levy assessments upon any property benefited by any improvement which ^{may} ~~shall~~ be made by the council under the provisions of this chapter, to the extent of such benefits, without regard to valuation.

LIMITATIONS.

Sec. 151 Except in cases of improvements to abate a nuisance, no real estate shall be assessed for benefits resulting from the taking or injuring of real property, unless the owners of at least one-half of the real estate to be assessed therefor, as appears by the last assessment for general tax levy found in the office of the auditor of Otter Tail, ^{County} Minnesota, at the time of the presentation

to the council of the petition^r for improvement, shall petition therefor, which petition shall be in writing and filed with the clerk.

In case of condemnation of lands for parks, parkways or boulevards, at least one-half of the ^{total} ~~total~~ damages and expense thereof shall be a general charge on the city and payable out of the general fund.

In all cases where the total damage and expense of taking or injury^{ing} real estate for any improvement shall not exceed one hundred fifty dollars, and shall be a general charge upon the city and payable out of the appropriate fund and if there be no such fund, then out of the general fund. Two or more improvements described in the foregoing sections may be combined in one proceeding, if deemed best and so ordered by the council.

D I V I S I O N I,

PROCEDURE WHERE THERE MAY BE AN ASSESSMENT FOR BENEFITS.

Sec. 152. When the council shall determine that it is necessary to take, damage or destroy any property of any description, for any public purpose, it shall declare the same by resolution, in which there shall be stated in a general way the nature and extent of the proposed ^{im}provement and the property proposed to be taken therefor and the property, if any, that shall be benefit^{ed} by such proposed improvement and upon ^{which} assessments therefor shall be made. Thereupon, the clerk shall published a notice in the official paper, once a week for two successive weeks, stating that the said matter is pending before the council and describing, in a general way, the property proposed to be taken and the other facts specified in said resolution and fixing a time and place when and where any person may be heard by the council concerning the taking of such property and the assessment upon such other property of the cost of said improvement; and it shall be the duty of the council, at such time and place, to hear any person who may wish

to be heard concerning such taking and concerning the assessing upon such other property of the cost of such improvement. Objection to either such taking or assessment may be in writing and filed with the clerk at least one day before the time set for the hearing. Thereupon the council shall cause to be made and filed with the clerk a plat and survey of such property showing the nature, course and extent of the improvement and the property necessary to be taken, damaged or destroyed therefor and the parcels of land to be benefited thereby, together with the names of the owners of such parcel of such property, as the same appears upon the last assessment roll in the office of the county Auditor of the county in which the property is situated, at the date of the resolution above referred ^{to}, together with such statements as may ~~be~~ in the opinion of the council ^{be} ~~as~~ proper to explain such survey and the nature and extent of such proposed improvement. And such plat and survey may be ^e ~~am~~ended, modified or changed; and if the council decide after said hearing to proceed with such condemnation and assessment it shall, by resolution, adopt such plat and survey and order and direct the making of the improvement and the assessment of the survey of the property benefited to pay the cost thereof.

COMMISSIONERS.

Sec. 153. After the passage of the resolution specified in the foregoing section, the council shall then or at a subsequent meeting, appoint three commissioners, all of whom shall be freeholders and electors of the city and not in any way interested in the property to be affected by this proceeding, ^{And no two of whom shall be residents of the same ward} to view the premises and ascertain and award the amount of damages and compensation, if any, to be paid for the property to be taken or injured for such improvement, and to assess the amount of such damages and compensation, and the expense of the improvement, so far as the same can be assessed, upon the lands to be benefited by such improvement,

in proportion to the benefits to be received by each parcel, without regard to valuation. Two of said commissioners shall constitute a quorum and be competent to perform any duties required of the whole number thereof. Before entering upon the discharge of their duties, such commissioners shall take and subscribe an oath to discharge their duties with fidelity and make a just and impartial appraisement and award of damages and assessment of benefits, which oath shall be filed with the clerk, and in case any such commissioner shall fail to qualify within five days after being notified by the clerk of his appointment, or in case of vacancy for any cause, the council may appoint another to fill the vacancy.

SERVICE OF NOTICE.

Sec. 154. Said commissioners shall give fifteen days' notice by one publication in the official paper of the time and place when and where they will meet to make said award and assessment, or said award, in which notice they shall describe the land to be condemned by general description and shall specify the purpose of the assessment and in a general way what property will be assessed therefor. They shall cause a copy of such notice to be served in the manner in which a summons in district court is required to be served upon all owners of the lands to be condemned, as appears by the last assessment list in the office of the auditor of the county in which said lands are situated, who can be found in Otter Tail County, and also upon all persons occupying said land, and they shall mail, with postage prepaid, a copy of such notice to all non-residents of Otter Tail County, appearing to be interested in said land, to the last known post office address of such non-resident. Proof of the service of such notice shall be made by affidavit of the party serving the same and shall state the time, place and manner of said service, and, if served

by mail, how each notice was addressed and such affidavit shall be filed in the office of the clerk.

FAILURE TO SERVE NOTICE.

Sec. 155. In case of failure of such commissioners to serve such notices or any of them, said commissioners shall forfeit their right to compensation for their services, and the council in such case is hereby forbidden to grant to them or any of them any compensation whatever for their services as commissioners.

VIEWING PREMISES, TAKING EVIDENCE.

Sec. 156. The commissioners shall view the premises to be condemned and receive any legal evidence that may be offered for the purpose of proving the true value thereof, and the damages that may be sustained or the benefit that may be conferred, if such benefits are assessable, by reason of the contemplated improvement, and said commissioners for this purpose are hereby authorized to administer oaths to all witnesses produced before them, and may adjourn the meeting from time to time and place to place until such assessment is completed; and said commissioners shall have authority to send for persons and papers and to compel the attendance of witnesses, and shall have authority to issue subpoenas for such purpose.

HEARING.

Sec. 157. All persons interested in any property so to be condemned or in any real estate to be assessed for such improvement, and the attorney of the city, may be present and be heard and adduce evidence before said commissioners at said hearing. If, at the hearing, additional property to that described in the notice, shall be included in the assessment for benefits or part of the property be excluded therefrom, no new notice shall be necessary.

APPRAISEMENT OF DAMAGES.

Sec. 158. After viewing the property and hearing the evidence offered, such commissioners shall prepare and make a true and impartial appraisement and award of the compensation and damages to be paid to each person whose property is to be taken or injured by the making of such improvement; but, if the remainder of the same property, a part of which only is to be taken or damaged by such improvement, shall be benefited by such improvement, then the commissioners, in considering and awarding compensation and damages, shall also consider, estimate and offset the benefits which will accrue to the same owner, in respect to the remainder of the same property, and award to him only the excess of the compensation or damages, over and above such benefits.

DAMAGES TO BE ASSESSED.

Sec. 159. Having ascertained the damages and expenses of such improvement, as aforesaid, the said commissioners shall, thereupon, app^on and assess the same, together with the cost of the proceeding, upon the real estate, ~~and~~ if any be assessable therefor, by them~~seem~~ benefited by such improvement, in proportion to such benefit; but in no case, shall the amount of such assessment exceed the actual benefit to the parcel so assessed.

ASSESSMENT ROLL.

Sec. 160

The assessment roll shall contain a brief description of each tract or parcel or property taken, injured or assessed, the names of the owners thereof, so far as known to the commissioners, and, if unknown, they shall so state, and the amount of damages awarded to and benefits, if any, assessed against each parcel of property.

The assessment roll shall be footed up and shall show both the total damages awarded and the total benefits assessed, if any. If the whole amount of such compensation awarded, together with the costs of said proceedings, shall exceed the actual benefits to the property subject to the assessment, the commissioners shall so state upon such assessment roll, and shall specify the amount of such excess. The commissioners shall also note on the assessment roll the total amount included in the assessment to cover the expenses of the proceedings.

NOTICE OF COMPLETION AND CONFIRMATION.

Sec. 161. When completed said commissioners shall cause to be given ten days' notice, by one publication in the official paper, to the effect that their proceedings have been completed and that at a time and place therein specified, they will attend for the purpose of hearing objections, and that all such objections must be filed with said commissioners at least one day prior to the time of hearing, and that, unless sufficient cause is shown to the contrary, the said award and assessment will be then and there confirmed. Said notice shall contain a copy of the assessment roll, as completed, and no objections shall be considered unless the same be filed as herein provided, but the commissioners may, in their discretion, allow any party interested who has accidentally or inadvertently omitted to file his objections, as aforesaid, to do so at the time fixed for the hearing.

NEW NOTICE MAY BE GIVEN/

Sec. 162. ~~Notice~~ ^{by} herein contained shall preclude the commissioners from causing a new notice to be given, specifying a different time and place at which they will attend, for the purpose of hearing the objections to said assessment, and for confirmation thereof, in the manner before required, in case the

previous notice shall be found incorrect or in case of absence of the commissioners, or for any other reason that will be sat is-factory to the commissioners.

COMMISSIONERS MAY ADJOURN AND REVISE.

Sec. 163. The commissioners or any one of them, the others being absent, shall have the power to adjourn such hearing from time to time, and they shall have the power, in their discretion, to revise and correct the said assessment, and to confirm or set aside the same and proceed to make an assessment de-novo, with or without any further order from the council; and said assessment^{ment} when confirmed shall be corrected to conform to such confirmation, and shall be final and conclusive upon all parties interested therein, not appealing therefrom.

PROCEDURE AFTER CONFIRMATION.

Sec. 164. When said assessment is confirmed, it, together with all affidavits of publication, and proof of service of notices, connected therewith, shall be duly certified to by the commissioners, and filed with and entered in a book kept for that purpose by the clerk, who shall, forthwith, under the direction of the council, certify said assessments to the auditor of Otter Tail County, and to the treasurer of the city, as hereinafter provided.

RE-ASSESSMENT.

Sec. 165. If said assessment shall be set aside by the commissioners, as aforesaid, or by the court, for any cause, jurisdictional or otherwise, said commissioners shall forthwith proceed de-novo without any further order from the council, to make another or new assessment and they shall proceed in like manner and give like notice as herein required in relation to the first assessment and all parties in interest shall have like rights and the said commissioners shall perform like duties and

have like powers in relation to any subsequent determination, as are hereby given in relation to the first assessment. Provided, however, that, if the damages or benefits assessed to any parcel of land shall not ^{be} appealed from, or shall not have been set aside by the court, the said commissioners in any subsequent assessment may omit such parcels of land as to which the first assessment shall not have been set aside or appealed from, or on which said assessment shall have been paid; and as often as an assessment against any parcel of real estate for any local improvement, is set aside, the same shall be re-assessed until said property shall have paid its proper proportionate share of benefits accruing from said improvement. Provided, further, that no second or other assessments for benefits can be made against any parcel of land which the court shall adjudge is not benefited by the improvement for which the assessment was attempted to be made, or which the court shall adjudge is not subject to assessment.

APPEAL.

Sec. 166. Any party interested in any property taken or damaged in these proceedings, or any citizen of the city, or the city, may appeal to the district court of the county in which said property is situated from an award or assessment of damages in the manner provided for hereinafter.

D I V I S I O N II.

WHERE THERE CAN BE NO ASSESSMENTS FOR BENEFITS.

proceedings where there may be an assessment for benefits, shall be had and required in Division II, hereof, where there can be no assessment for benefits, except that the commissioners in the latter case shall in no event make any assessment for benefits. And all the provisions of said Division I, of this chapter, shall, so far as applicable, apply to and be in force hereunder in Division II, hereof, and be so deemed properly where there can be no assessment for benefits.

such purposes. And the city shall be bound to and shall, within one year of such final determination, pay the amount of such award with lawful interest from the date of the final award or confirmation thereof, or judgment of court as the case may be; and if not so paid, judgment therefor may be had against the city. In case there shall be any doubt as to who is entitled to such compensation or damages or any part thereof, the amount so awarded or in doubt or in dispute shall be, by the council, appropriated and set apart in the treasury for whoever shall establish his rights thereto by a proper judicial proceeding and the production of a certified copy of his judgment, and in all cases before payment of any such award, the owner of such property or the claimant of the award, shall furnish satisfactory evidence to the council of his rights to such award.
